Dedication

This volume of *Glimpses of a Lost Community* is dedicated to Eva Ardiel who has been the heart and conscience of the Old Britannia Schoolhouse for over twenty years.

As schoolmistress (1985-1991) she breathed life into the Victorian classroom program. As a founder of *Friends of the Schoolhouse (1992)* she helped to ensure that the program of the Schoolhouse would be permanently established.

Eva started the annual Victoria Day Fete and the Christmas Tree trimming. She established the Strawberry Social and worked with determination to offer activities which would open the Schoolhouse to the general public. Her tireless efforts have resulted in a large and attractive inventory of pioneer toys and materials which is available at all *Friends'* events. Her dedication and enthusiasm have inspired the work of countless volunteers over the years.

Introduction to Britannia Scrapbook, Part II

Britannia retained its rural character until well into the 1950's. Agriculture was the main economic activity with an emphasis on cattle, poultry, and grain. The Centre Road was lined with apple blossoms every spring. Pupils at S.S. # 12, Toronto Township, participated in the Rural School Fair held annually every September at the Cooksville Fair Grounds.

Britannia did not experience growth after World War I as did communities to the south such as Lakeview and Cooksville. The Britannia Post Office which was showing less and less activity was closed. There was never a Red Cross branch in Britannia. Red Cross work was probably done through the Derry West, Streetsville or Cooksville branches. I found one reference to the formation of a Women's Institute in Britannia (June 13, 1929) but no follow- up articles. Several Britannia ladies attended the Derry West Women's Institute (January 22, 1931).

Fewer listings were made for Britannia United Church services in the *Churches* column of the local newspapers, but it is clear that regular services continued and the minister of Britannia presided at the weddings and funerals of church members. The Ladies' Aid and Sunday School remained active.

S.S. # 12, Britannia, operated as an ungraded one- room rural school. Pupils from Britannia who wished to attend high school went to Brampton, Streetsville, or to Cooksville Continuation School, which opened in the 1920's. Hospital care was available at Peel Memorial Hospital in Brampton or at Toronto facilities.

Britannia did not have its own polling station for federal, provincial, or even local, elections. Residents who lived east of Centre Road voted at the Palestine Polling Station and those who lived to the west voted at Meadowvale or Derry West. It is impossible to determine how Britannia voted in any given election.

Public transportation such as the Radial Railway made it practical to spend the day in Toronto. The stop at Burnhamthorpe and Centre Roads was within easy distance of the inhabitants of Britannia. This controversial service ended in 1931 but the automobile made it possible to shop in Brampton or Cooksville or beyond. The widespread use of the telephone and the availability of the radio in the 1920's brought rural communities in southern Ontario into the mainstream.

The period of time covered in this scrapbook (1904-1935) overlaps that of the first Britannia Scrapbook (1870-1930). However, none of the articles in this volume appeared in the earlier one.

Spelling and Punctuation

Spelling, punctuation, and sentence structure are shown as they originally appeared. Spelling is not consistent. For instance, the word "program" appears as "programme" in the same article. The "u" is usually omitted from words such as "neighbourhood" and honour until well into the 20th Century. Proper names are spelled as they were printed.

Warning

It is cheaper to buy this volume than to make a copy of it. No article or illustration in this scrapbook is to be reproduced without the express permission of Joan Reid, (905) 277-3396.

Who says out little town is dead?

Weddings and parties have been the order of the day. Reports say more to follow.

Miss Ella Marshall of Campbell's Cross spent Sunday at Mrs. P.G. Dunton's.

The Misses Wright gave a farewell party on Tuesday evening, Mar. 1st. The roads were almost impassable, which prevented a number from being present. About thirty young people managed to arrive at "Cottage Dale", after overcoming several difficulties, some going out of their way, etc. The programme for the evening took the form of progressive games, which was very amusing for some. A very dainty lunch was served, and everyone having satisfied the inner man, all joined hands and sang "Auld Lang Syne". A vote of thanks was moved by Mr. Elliott and seconded by Mr. W. Bonham, to the kind host and hostess for the enjoyable time everyone had had, and expressed the regret of all at losing Mr. Wright and family from our neighborhood. Long remembered will be that evening.

Miss Lily Brown is visiting friends at Snelgrove.

Miss Gertie Readman spent Sunday at Fairview Farm.

Notwithstanding the very disagreeable weather Sunday afternoon a large number attended S.S. After the usual order of service, Miss Wright was asked to take a seat at the front. The superintendent asked Miss Walker to read a paper, while Miss Johnston presented Miss Wright with a fine pearl sunburst brooch. Miss Wright replied in a few feeling remarks, thanking the school for their kindness to her, expressed her humiliation that she had not done more to deserve such honor, and she could not find words to thank the school enough, so would take her seat.

Dear Miss Wright:

As the time is drawing near when the ties of friendship, love and co-operation in our Sunday School are about to be severed, we feel that your going away from us leaves a vacancy that none other can every fill with the same acceptancy.

Your faithfulness in Sunday School work, your untiring efforts to lead and point others to the Saviour, gave an inspiration to those connected with you in the good cause, to more faithfulness; and now though we feel the separation keenly, there is solace in the thought that others shall profit by our loss, and we earnestly trust that you may be long spared to pursue the work "so dear at heart to you".

As a school now assembled we ask you to accept this brooch as a small token of the esteem in which we as a School hold you, and we earnestly hope that your pathway through life may be a serene and happy one, filled with good deeds; and when we meet in the heavenly home may none be missing from Britannia School whom you earnestly tried to lead during your time among us as a teacher.

Signed on behalf of the School.

Miss Walker.

The Streetsville Review - March 10, 1904 ..... continued

On Monday evening of this week about fifty neighbors of Mr. and Mrs. W. R. Wright assembled at their spacious family residence and took Mr. and Mrs. Wright completely by surprise, and after all had spent an hour in pleasant conversation, Messrs. J.T. Leary and J. McCauley, on behalf of the neighborhood, presented Mr. and Mrs. Wright with a magnificent roll-top writing desk and chair and a very appropriate address, which was read by Mr. Herb McCauley, as follows:

Mr. and Mrs. W.R. Wright,
Britannia, Ont.

Dear Friends:

Hearing with much regret of your intended departure from our midst, we, your riends and neighbors have met here this evening, desirous of expressing in some small way our feelings of regret at your removal from our neighborhood, as both you and family have always conducted your lives in such a manner as to gain the highest esteem and respect of all the neighborhood, and were never wanting in acts of kindness and charity which all go to build up and maintain a kindly feeling for one another, which we shall cherish the remainder of our lives, and we ask you to accept of this roll top desk and chair as a token of our appreciation of the afore-said kindness, trusting that you will accept it in the spirit in which it is given, not for its intrinsic value, but as a keepsake from your many friends and neighbors around Britannia, all of whom join in wishing you and your family all the happiness and comfort of a prosperous life, and hope you may long be spared to enjoy your new home in the county town.

Signed on behalf of your many friends and neighbots.

J.T. Leary
J. McCauley

At the conclusion of the above address Mr. Wright, although taken entirely by surprise, responded in a few well chosen words, referring to their going away with much regret and to many little instances that have happened in years gone by, the remembrance of which have made the old home toes grow stronger day by day. He also mentioned that the farm he was now leaving had been in possession of the Wrights ever since his grandfather settled on it some eighty years ago, and it was then a howling wilderness. After thanking all present on behalf of Mrs. Wright and himself for the fine present and kind address, Mr. Wright resumed his seat, promising to always remember his many friends areound Britannia and hoping to live at peace with all mankind the remainder of his days.

A very dainty supper was provided and heartily partaken of, after which all left for their numerous homes around this prosperous little burg of Britannia.

The Steetsville Review - March 24, 1904

Death of Mr. Hugh Kee.

Another old landmark has passed away, in the person of Mr. Hugh Kee. He died at his house in Streetsville on Tuesday morning, at half past one, in his eight-eighth year. He had been a strong healthy man, with a rugged constitution that did not fail until the last, and he was able to go about until within a few days of his death, which came sooner than was expected. Mr. Kee came to Canada when quite a young man, taking up land in Toronto Township, near Britannia. The land was all bush at the time, and this he cleared and improved until it became one of the best farms in the section. During the Mackenzie Rebellion Mr. Kee was in active service and many the good story he used to tell of those troublesome times. He was, for many years, a regular attendant and strong supporter of Gardner's Church, Britannia. He was also instrumental in securing the establishing of the "school reserve" in that section, for which he deserved great credit. A few years ago he retired farm life, having secured sufficient of this world's goods to spend the remainder of his life in luxury and ease, and came to Streetsville to live. In politics he was a staunch Conservative. He was a good-natured, kind-hearted man, and a better neighbor no one could wish to have.

Deceased leaves a widow, one son, James, of Streetsville, and three daughters, Mrs. John McCauley, Britannia; Mrs. Neil, of Toronto; and Mrs. Neil of Batteau, to mourn his death.

The funeral took place this afternoon, under the direction of Undertaker S. Harris. Service was conducted at the house, by Rev. A.B. Hames, assisted by Rev. S.T. Martin, after which the remains were taken to Gardners Church cemetery for interment.

Dear Editor: - I accept with thanks Twin Brothers' kindly assistance in sending you items last week while I was buried under the snow, but now, since I have got warmed up and thawed out by the radiant sunshine and Sunday's shower I will again venture a few items.

House cleaning is the order of the day.

Some of our citizens took a trip to the city to view the ruins of the awful disaster which occurred on the 19th ult. It evidently was a fierce fire, as some of them came home with only part of their whiskers. Wonder were they insured?

Some of our chicken fanciers are doing quite a business this spring. Our blacksmith is importing several settings from different parts of the States. Our bee-keeper, we hear, is going extensively into the business, and McCauley Bros. are still in the ring. They shipped a fine pair of their Black African Bantams to Meaford last week at a long figure, and several others have purchased incubators.

Mr. Will and Miss Alice Bonham spent Sunday with Streetsville friends.

Mr. Wilbert Thompson sundayed under the parental roof.

That grey horse was seen around the corner Sunday evening again.

Mr. F.J. Thomson visited Chinguacousy friends on Sunday.

Some of our young men have taken up the study of Botony, Lilies being the favorite flower, while others prefer a pastime of hunting Magpies, which are also to be found around our first lines.

The warm April showers
Bring forth May glowers
And also refresh.

The "Sunshine Club"

New Society Organized at Britannia

A novel Society, known as the "Sunshine Club", has been recently formed at Britannia and promises to be productive of much moral, mental and social good in the neighborhood. Its watchword, "Be Happy" should be constantly borne in mind and serve as an incentive to make others happy. Its emblem "A Circular Chain" embodies the idea that we are no stronger than the weakest link. On Friday evening, Aug. 26, a model parliament was held in the vestry of the Methodist Church. Sixteen volunteer voters, ladies and gentlemen, in equal number, were present in response to the call "You are wanted to help make happiness encircle the world". The initiation ceremony simply consisted of singing Hymn 179 of the Dominion Hymnal, "Then Scatter Seeds of Kindness for our reaping bye and bye", and a brief prayer by our junior pastor, Rev. W.E. Galloway. The measure "Does it Pay to Scold?" was formally introduced by Rev. Mr. Galloway, in wise and well chosen words, and others following brief remarks. It was unanimously resolved That Cheerfulness is riches that cannot be taxed, and that Smiles are riches that purchase health, happiness and a host of friends.

It goes without saying that the "Sunshine Club" has the hearty endorsation of the Rev. A.H. Hames and his esteemed colleagues who will do all they can ny their prayer and presence to promote its prosperity.

THE LATE W.F. IRWIN

Winnipeg Free Press, Oct. 29. - The late W. F. Irwin whose sudden death at Trail, B. C., on Wednesday, was announced by the Free Press Yesterday, was probably better known in Brandon and western Manitoba than in Winnipeg having resided there since 1883 till two years ago, when he moved his family to Winnipeg. Mr. Irwin came to Manitoba in 1882, residing in Portage la Prairie till 1885, and then going to Brandon to take charge of the Massey Manufacturing Co.'s office there. In 1890 he was appointed general agent and travelled all thru {sic} western Manitoba for 13 years. Few travellers were better known and none more thoroughly respected than he and his many acts of kindness to sick passengers have been treasured in numbers of homes. Twice while on the Glenboro branch he displayed great heroism in rescuing fellow travellers from certain death.

Failing health necessitated his retirement from active work this spring and in the month of August he went to British Columbia in the hope that the mountain air would be beneficial. But heart failure took away a faithful husband and loving father on Wednesday last.

Surviving Mr. Irwin are his widow, 3 daughters: Miss Dadve, Mrs. R. M. Thompson, and Miss Alice; and 3 sons, Capt. Frank Irwin, a medical student, J.F. Irwin of the Massey-Harris Co., and Mac Irwin of the Miller Morse Hardware Co. He was actively interested in the school board, agricultural society and the Liberal Association.

The subject of the above sketch was the oldest surviving son of the late John and Sarah Steen Irwin and was born on the old Irwin homestead, Lot 2, Con. 2, West, Toronto Township, and was about 60 years of age. His brothers John and George still live in Toronto Township and the younger brother, Robert Ure, now lives at Hornings Mills, northof Orangeville. His sisters, Mrs. Anson Green Foster, lately deceased; Mrs. J. Price, East Toronto Township; Mrs. J. Woods, Chingucousy; Mrs. Asa Hall, California; Mrs. Washington Johnston, Toronto. To all of the above family members we tender our sympathy, especially to the aged mother who is still living at the age of 86 years, in Toronto; and to the bereaved wife and family in Winnipeg.

Bee Keepers Meet

The annual meeting of the Peel and Halton Beekeepers Association was held here last Saturday when about twenty beekeepers were present. Mr. Chrysler of Chatham, second vice president of the Ontario Beekeepers Association, and Mr. Harry Sibbald of Claude were also present.

The election of officers resulted as follows:

President - Jas. N. Elliott.

Secretary - J.H. McCauley

The reports showed that bees in this neighborhood wintered successfully.

This association produced the largest amount of honey last year of all the province. One man last year sold three carload, and this year he could have sold five carloads if had the goods. Honey made in the Peel Halton district is the best and always wins the red ticket.

House Burnt

While eating their dinner last Saturday, the house on the farm of Mr. Ed. Walker, second line west Toronto Twp., took fire from a spark from the chimney and was soon destroyed. The flames spread so quickly that very little could be saved. Besides their furniture, clothes, etc, both Mr. Walker and the hired man lost several dollars in cash. The loss will be heavy to Mr. Walker.

The trustees of many of the rural schools in this locality have found much difficulty in securing the services of qualified teachers. Some have engaged unqualified teachers who have secured permits, while some schools are still vacant although school opens next week. In almost every instance where a teacher has been engaged this summer the salary is $50 or $100 in advance of what was formerly given. $450 has this summer been about the minimum salary offered while many, some of whom are inexperienced teachers, have obtained $500 or $550 - Arthur Enterprise.

The State of Education – 1908

Our boys and girls are not being educated for the real purposes of life in this age. By the time they leave school, too many of them want to leave the farm, and as they cannot all find employment in our towns and cities, they rush off to the United States by tens of thousands every year. This constant exodus of our young men and women is the main reason why the population of Ontario … is not increasing at a faster rate.

Madill-Treanor

The marriage of Miss Elizabeth A. K. Treanor, daughter of Mr. and Mrs. Omri Edy Treanor, and Mr. Wilmer Madill, took place yesterday afternoon at 3 p.m. at the beautiful home of the bride. The Rev. S. T. Martin of St. Andrew's Presbyterian church, Streetsville officiated. The bride was given away by her father and entered the drawing room to the music of the wedding march played by Mrs. Harold McClelland, cousin of the groom. The bridal party standing under an arch and a large wedding bell of white flowers. The bride's dress was an exquisite one of white silk; a long tulle veil was arranged becomingly over a coronet of lily of the valley, and a large bouquet of white roses was carried. The bride was attended by her twin sister Miss Ida, who wore a lovely dress of pink silk and carried pink roses, and Little Isabella Ritchie niece of the bride as flower girl.

The groom was ably supported by his cousin Mr. Ernest Irwin of Oakville. After the ceremony the intimate friends of the bride and groom sat down to a dainty luncheon. The presents received by the bride were unusually beautiful and varied. The groom's gift to the bride was a gold watch and chain, to the bridesmaid and organist gold brooches and to the groomsman a gold tie pin and a gold bracelet to the flower girl.

Mr. and Mrs. Madill left on the evening train for Orangeville. The going away gown of the bride was an elsie silk dress of brown with a hat to match and mink furs.

TOWNSHIP CONVENTION
Held at Britannia, Friday January Fifth

The fortieth annual convention of Toronto Township and Streetsville Sunday School Association held in the Methodist Church, Jan. 5th, 1912, was in spite the inclemency of the weather fairly well attended and one of the most instructive in the history of the association the missionary thought being uppermost through the whole program. The addresses given were most helpful along missionary and other lines.

An address on "What to Teach" by J. Miller, Port Credit, was very ably handled and much appreciated by those who heard it. Mr. Miller pointed out the great importance of the question, What to teach? he gave the necessity of the teacher prayerfully studying the Bible, then teaching the ... that it is the word of God and make that thought most impressive. Also that Jesus Christ came voluntarily and gave his make life for them and that the holy spirit is still in the world and they may live in the enjoyment of that spirit. Also the awfulness of the punishment that awaits them if they disobey his will. Also if these thoughts are imprinted on the hearts of the boys and girls while young in years, nothing can ever erase them.

Address, "S.S. and Missions" by Rev. J.F. Scott, Streetsville, was of great value and importance to all interested in Missionary work, showing that the importance of missions cannot be too much magnified.

The greatest work of the Sunday School is to help evangelize the world. Mr. Scott pointed out that three out of every five S. S. scholars are lost to the Church because of not having proper training. They should be trained in missionary work, too often educated in receiving instead of giving, especially through their Christmas entertainments where they, too often, instead of sending gifts to the needy, are receiving themselves. There is no doubt but many men and women lack interest in missions because of not having early training, it should be the aim of the Sunday School to bring in enough workers to fill that mission, "Go ye into all the world and preach the gospel to every creature". The Sunday School that has not the missionary spirit is out of place. To impress missionary spirit would advise forming mission study classes to search out the world's needs and teach the child that God has allowed us to be laborers with him in saving the world.

A "Round Table Parliament on Missions" was given by Rev. R.J.M. Glassford, field sec. O.S.S.A., in which a list of questions was submitted to the audience for each to pick a question that seemed most suited to their need, the outcome of which was a great deal of the most useful information to workers in the Sunday School and not only the Sunday School but almost any walk of life.

.....continued on next page

TOWNSHIP CONVENTION - January 18, 1911 ... continued

Rev. Mr. Glassford also gave an address "Our New Standards". These new standards mean organization, the township, county, Ontario and International Associations organized so as to get the very best possible results from the Sunday School and the advancement of God's Kingdom upon earth.

Rev. Mr. Hanna, Sec. Lord's Day Alliance, gave an address on the working of the Alliance, showing the great work they are doing in keeping down the evils that are cropping on every hand, also trying to wipe out the evils that now exist, the object being the betterment of our country and advancement of God's "Kingdom on Earth".

Miss Graydon of Streetsville gave two solos which added greatly to the success and enjoyment of the convention.

The Britannia Choir did splendid service in helping make the convention a success.

Others who took part were Mr. Might, Britannia, Mr. Dunton, Britannia, not forgetting the friends of Britannia who opened their homes so generously to supply the needs of the body all working together to make this convention one grand success.

The officers for the ensuing year are:
President - Jos. Waite, Lisgar

Address and Presentation

Mr. Charles Bailey, who has been employed by Mr. Ed. Madill, 2nd line west Toronto Township, for the last two years, received a very pleasant surprise last Friday evening, when a number of his friends met at the residence of Mr. Madill and presented Charlie with a complimentary address and handsome Calabash Pipe with Meerschaum fittings and Coin Silver trimmings.

The following address was read by Mr. James N. Elliott and Mr. Robt. J. Irwin presented the pipe.

TO MR. CHARLES BAILEY

Dear Friend: -

It is with feelings of regret that we learn of your intended departure from among us. We cannot allow you to do so without expressing to you in some tangible form our good opinion of you. It is with that object in view that a few of your friends in this neighborhood are assembled her tonight. We believe you have formed many warm friendships during your sojourn in Canada, but recognizing the call of duty to come back home, you like a true son of Old England, do not hesitate to respond to that call.

We ask you to accept this pipe, not for its intrinsic value, but as an expression of the good will of the people of this neighborhood and trust that it may be but another link in the great Imperial Chain of Love that binds the Motherland to her colonies.

Signed on behalf of your numerous friends

JAS. N. ELLIOTT
ROBT. J. IRWIN

Mr. Bailey made a suitable reply, and short speeches were given by Messrs. Murray Irwin, Ernest Steen, Stephen Treanor, E.O. Madill and James N. Elliott.

A very successful anniversary was held in the Methodist church on Wednesday night. After an excellent tea was served in the schoolroom. a good program was rendered, presided over by Rev. T. W. Leggott. Vocal and instrumental selections were given by the scholars and the Meadowvale orchestra favoured the audience with several fine numbers.

A Christmas tree was the big feature of the evening and it was well loaded with presents for all. One of the gifts was a Christmas goose for the pastor.

Hydro at Britannia

Mrs. Beck, wife of Hon. Adam Beck, turned on the power at Mr. J.W. Might's Britannia, yesterday at the first demonstration in the province of the possibilities of the Hydro Electric on the farm.

The Minister of Power was greatly pleased with the entire affair. Power was supplied by a cable attached to the Port Credit - Brampton transmission line which passes in front of the farm. The current passed thru a transformer carried on a portable truck which drove a motor, also installed on a portable truck.

A three ton motor truck conveyed the milking machines, choppers, cream separators and other machinery that was in operation yesterday.

F.A. Gaby, the busy chief engineer of the Hydro-Electric Commission, was in charge of the work. He had a telephone with him which was connected up with the private phone line which follows all Hydro transmission lines and over it he gave instructions to his office staff in Toronto from time to time.

Mrs. Brown, who was in charge of the cooking utensils at the last electric show in Madison Square Garden, New York, and is directing the operation of household machinery at the Hydro Exhibit at the Fair, was in charge of the cooking apparatus at the demonstration at Britannia.

Hon. J.S. Duff, Minister of Agriculture; W. B. Roadhouse, Deputy Minister of Agriculture; Gordon Wilson, M.P., Richard Blain, M.P., and Sam Charters, M.P.P., Reeve Lush and members of the Township Council were among the spectators.

McMullen - Brown

On Wednesday, August 21st, a pretty wedding was solemnized at the home of the bride's parents, Mr. and Mrs. W .T. Brown, Orchard Grove, Britannia, when their fourth daughter, Jean Elizabeth, was united in marriage with Mr. John McMullen, of Malton, Rev. Mr. Leggott, of Streetsville, officiating. Precisely at half past three to the stains of Lohengrin's wedding march, played by Miss J. McMullen, sister of the groom, the bridal party took their places under a wedding bell suspended from an arch of evergreens trimmed with flowers and satin ribbon. The bride, who was given away by her father, looked lovely in a gown of white satin with crystal trimmings and seed pearls and wore an embroidered Brussels net veil held in place with lily of the valley and carried a shower bouquet of white roses and lily of the valley. Her only ornament was a pearl necklet and sunburst the gift of the groom. The bride's only attendants were her little niece, Miss Beatrice Morris, who acted as flower girl and carried the ring in a basket of sweet peas and were the grooms's gift, an engraved locket and chain, and Master Clarence Morris who acted as page, and received a watch from the groom. After the ceremony and congratulations the guests numbeting nearly one hundred, repaired to the dining room, which was beautifully decorated with pink and white streamers, roses, asters and smilax, where a dainty dejeuner was served. Amid showers of rice and confetti the happy couple left to catch the train for Toronto, Buffalo and other American cities, the bride travelling in a navy blue suit with white Parisian hat and and plumes. On their return they will be at home to their friends after September 1st at "Hill ....".

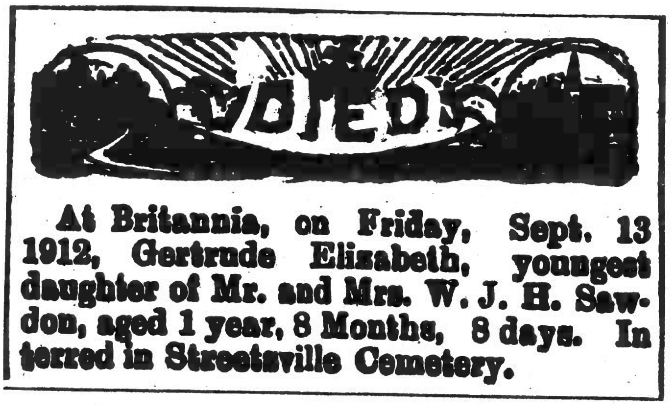
Drowned at Britannia

A very sad occurrence took place at Britannia on Friday morning last. Gertrude Elizabeth, the youngest child of Mr. and Mrs. W. J .H. Sawdon, had made its way into the blacksmith shop where her father was working. He told the little child to take the pail and get him some water. Thinking she would go to her mother for the water, he went on with his work. Soon the mother came into the shop and asked if Gertie was around. Mr. Sawdon said she had gone to the pump for some water. She was not at the pump but it was noticed that the stone had been removed from over the cistern. An investigation showed that the child had tried to get the water and tumbled in. After being removed from the cistern they worked with her for three hours trying to bring her to, but in vain. She was only 1 year, 8 months, 8 days old.

The funeral took place from the family residence on Sunday afternoon. Interment was made in Streetsville cemetery, Rev. T.W. Leggott officiating. The heartfelt sympathy of the community is extended to the bereaved family in their sad and Sudden affliction.



At Britannia, on Friday, Sept. 13 1912, Gertrude Elizabeth, youngest daughter of Mr. and Mrs. W. J. H. Sawdon, aged 1 year, 8 Months, 8 days. Interred in Streetsville Cemetery.

Horticulture

The promotors of the Horticultural Society are delighted with the success they are meeting with. Included on the list are names from Dixie, Britannia, Churchville, Erindale and Trafalgar.

Is yours on the list? They would be pleased to have it. A dollar invested in this would add beauty and pleasure in and around your home, not only this coming year, but in years to come.

Hallowe'en

The boys of the village became unusually unruly on Hallowe'en. They tore up sidewalks, carried away gates, steps, signs, posts, etc., and were even bold enough to climb to an up-stairs window, tear the curtains from their fastenings and carry them away. But the most ridiculous part of the evening's performance was the placing of several out-buildings on the front street. They were not put in front of certain business places for spite - it was just pure devilment. There's no objection to the boys having a little amusement on Hallowee'en, but the persons who destroyed both private and public property that night ought to be punished.

Britannia

Farmers' Club Organized

On Friday evening, Dec. 5th, a number of farmers met at the home of Mr. P.G. Dunton, Britannia, for the purpose of organizing a Farmers Club to embrace the districts around Streetsville and Meadowvale. Those present were enthusiastic over the formation of such a club and upon a resolution it was decided to proceed with the organization. Mr. Tisdale, district representative, occuppied the chair and Mr. Patterson, Assistant Repsentative, acted as Secretary protem.

A constitution and necessary by-laws were drawn up and adopted after which the following officers were elected for the year.

Pres. - J.B. Ross, Streetsville

Vice Pres. - F. Jackson, Meadowvale

Sec. Treas. - J.O. Treanor, Streetsville

Directors - A. Jamieson, Streetsville; B. Wilson, Churchville; F. Brown, Meadowvale; C. Bonham, Britannia.

The strength of the organization will be well vindicated to those who know the men filling the various offices and an excellent winter program is looked for. It is the purpose this year to hold monthly meetings at which farm topics of general interest will be discussed by those who understand their particular branch of farming. Sometime during the winter a short course in stock judging will be conducted by the Club and from time to time an outside man will be brought in to deliver a lecture.

The object of this organization shall be to encourage and maintain a deeper and more general interest in all branches of agriculture by holding meetings at which farmers may receive and give information, suggestions and experience; also to afford an opportunity for debate and study to its members that they may become more accustomed to public speaking; to increase the knowledge of and interest in the larger questions of the nation and which affect the social life and financial position of the farmer. In all instances, however, religion and politics will be kept out of all discussions and management of the Club.

Not only is it the object of this club to develop the community spirit and improve the social stature of the people. But working as a body they propose in time purchasing seed corn, clover seed, binder twine, etc., in bulk to supply the members. It is one step toward cooperation so don't knock but boost. Lend your assistance in every way possible and keep the organization alive and moving.

Do not forget the first meeting at the School house, Meadowvale, on Monday evening, Dec. 15, at 8 o'clock. A cordial invitation is extended to all. A musical program will be provided and Mr. Tisdale and others will discuss at length the benefits to be derived from a live Farmers Club.

Any others interested in the club movement would do well to get in touch with the Dept. of Agriculture, Brampton.

BRITANNIA
How a Centre Road Man Delivered a Load of Hogs

Jim T., having sold some pork to be used to demonstrate the High Cost of Living in the Ontario Legislature, proceeded to deliver the same to our worthy member for Peel. Everything being in readiness the pigs in the sleigh and the team to the pole, away went Jim as light hearted and as happy as could be.

Looking at his team with pride he says "Them's fine horses, thorobreds, nothing to touch 'em for speed around here, I'll bet. Why that team could race a lie around the globe if they had to do it. Get up, my fiery steeds, show 'em what ginger you've got in you, what a magnificent sight to behold." Jim, with his face set stern, holding on for dear life, faster yet faster went that team like to the chariots of old. The wind rushed past in great fury, blowing the back board off the sleigh, and the pigs from inside. Foaming and steaming, those noble steeds halted by the market scales at Brampton.

"Hello, Jim."

"Hello. Got them pigs."

"Yep."

"Get on the scales, let's weigh em."

"----------lbs."

"Your another, Jimmy."

"No, that's all they weigh, Jim, come and look for yourself."

"Why, man alive, my sleigh weighs that much empty. I've got four pigs on, and you say it don't weigh a pound more than when its empty. Why, you're crazy, man."

Poor Jim, his hair upright, his eyes wide open, was at last convinced that those government tested scales were right - not one pound more did they register.

"You must have fed them pigs on ice and they got thawed out on the way up, Jim."

"Quit your fooling," says Jim.

"Let's have a look at the pigs," says Jimmie, and our hero lifted the cover of his sleigh and gave one loud, long cry of Murder. "Them pigs is gone" and all that sleigh contained was a few pieces of straw and that sweet aroma of the pigs that had departed. Jim pawed the snow for many yards around that sleigh. Language from dictionaries, commentaries, and other leading periodicals was used, every kind of talk but pigs.

Back to the Centre Road our hero headed his team, thinking seriously of the little pigs that had wings.

"Hello, Jim."

"Hello, Billy. Say Bill, you didn't see any pigs around here did you?"

"Sure, my hired man found one in the middle of the road standing on his head on the backboard of a sleigh."

"That pig's mine," shouts our hero, "I lost it."

"No, it's not," says Bill. "Your pigs can't stand on their heads. This one belongs

to some five cent show and I'm going to keep him till I get a reward."

"You'll get no reward from me," says Jim. "That's my pig, stand on his head or not."

"Well, your pig or no pig, a pig's a pig and possession is nine points of the law, so I keeps it. Good day."

Oh, Lucky Jim
How I envy him.

"Hello, John."

"Hello, Jim. Say Jim, I've got one of the dandiest pigs you ever clapped your eyes on. He's got a real high school education. What can he do? Why anything but swear. I'll just tell yer, we've some A B C blocks at the house and that pig will spell anything you mention", says John.

"By gum," thinks Jim, that's got Billy's pig skinned a thousand ways, guess this must be another nickle show pig. What can he spell, John?"

"He can spell Horse, Sleigh, Backboard, Jim, Brampton."

"That pig's mine", says our hero, with his detective instinct. " What! Get home with you or I'll set the dogs onto you. Here boy, get my gun and I'll shoot him if he says it's his pig; the very idea of it", and our hero proceeded on his homeward way.

"Hello, Thellar."

"Hello,Jim. Say Jim, you ought to have stayed at home today, we sure had some fun chasing a real live wild boar - that kind of animal the Kaiser hunts in the wilds of Germany. You know, Jim, German sausage in its raw state. Well, two guys that com'd over from England - them kind wid eyeglasses and leggins and riding breeches on, says to me: "I say, old chappie, have you seen a wild boar around here?" Says I, "I thought you shot all the Boers in South Africa."

"This is a species of a pig, my man, tusks, you know, teeth, molars, etc." "Listen Chawley, there's one of our bally dogs barkin', doncher know, there he goes."

"I grabbed a pitch fork, the hired man got a shovel , tally ho and off we were. Run? Man alive, that son of a gun could run your team to a finish. He took us over six concessions and up four sideroads, then we thought we'd fixed him sure when he ran in my barn. Now, altogther boys, and we rushed like knights of old for that door, and that boar, he rushed out under my legs and I went straight, over and down on my head, bang, you know - a somersault, them actor folks calls it. The hired man sat down whollop and cracked the floor, and that floor is some thick. That hunter says, "By Jove, Chawley, I never saw so many pretty stars so quick in my life," and those boar hounds yelled "pen and ink and Ki Ki" for miles across the fields."

"But we got him, and Harry the blacksmith made a ring for his nose and helped us to chain him down to the floor."

"Get out of here", says Thellar, "or I'll scalp you - your pig! Here boys, give me the axe, he says its his pig, I'll show him", but Jim had gone home to sleep.

How to see stars;

Ask Jim if he has any more pigs to sell - then fly.

High School Column

Judge Weylie imposed a fine of $200.00 and sentenced to imprisonment for 1 year one W. F. Dunton at the trial last Friday. Accused was charged with criminal libel against C. Cantelon. L. Pope, G. Weylie and G. Templeton whom he had spoken of as a geometrician, cheap musician, tough proposition and press edition, respectively in his paper, and Streetsville High School Journal.

Miss Florence Stevenson, attorney for the defence, was unable to invalidate the evidence brought forward by the prosecuting attorney, Miss Lillian Morgan, who was able to convince His Lordship of the prisoner's guilt; so that instructing the jury, he advised them to bring in a verdict of guilty. Mr. W. Scott, foreman of the jury, soon brought in the verdict: Guilty! His Lordship in sentencing the prisoner deplored the fact that one with such an important position as that occuppied by the prisoner should stoop to anything so ignoble as to maliciously slander the plaintiffs in such a way as to injure their whole future life.

The above is a summary of a mock trial held in the school at the "Lit" last Friday. Helen Scott was Clerk of the Court, and Geo. King was crier. Three witnesses, Messrs. Fasken, Atkinson and McDowell were subpoened, but the latter two were not present. Besides the trial, there was a song by Florence Stevenson and readings by W. Walker and G. Templeton. The Journal was read by Jessie Horne.

The school greatly regrets the loss of one of our third form pupils, Louis McDowell. We are sincerely sorry to lose him, for he has been a general favorite in the school since he entered, three years ago. As his family are leaving Britannia to go to Toronto he has been forced to leave S.H.S. The school wishes him success wherever he goes, and we all hope to see him often.

Obituary

On April 12th, 1914, Elizabeth Pegg, eldest daughter of the late Mr. Isaac Pegg, Scott Tp., and beloved wife of Mr. Omri Edy Treanor of Toronto Tp. was called to rest.

Mr. and Mrs. Treanor were married in 1869 in Newmarket and lived on Lot 8, 1st con. for a number of years. They then moved to lot 2, con. 2, where the message came that called the wife and mother home. She leaves to mourn her loss: her husband, five sons and five daughters, two sons having predeceased her.

Mrs. Treanor was a member of St. Andrew's Presbyterian Church, Streetsville, having united with her husband in 1886 under the pastorate of Rev. Jas. Murray, D.D. She was ever a kind neighbour and a wife and mother whose highest mission was that of a home maker and those she has left to mourn her departure must ever feel the loss of one whose life had been so much given for them. The funeral services were conducted at the home by Rev. Dr. Murray and Rev. J. F. Scott, and the remains were laid to rest in the Britannia Cemetery.

The sympathy of the whole community is extended to the bereaved family and our prayer is that they may realize the presence and sustaining grace of the loving father in this, their time of need.

The Streetsville Review - June 18, 1914

A most successful garden party was held at the home of Mr. John Ellis, Centre Road, last Friday evening, when a large crowd was present. It was under the auspices of the Methodist Church. Arrangements had been made for a good evening's entertainment and every thing was carried out successfully. Mr. S. Charters acted as chairman in his usual genial manner and a decidedly interesting program was rendered by Mr. Robert Wilson, Miss Pearl O'Neill and Mr. W. Moore, all star artists of Toronto.

Raine - Trimble

A happy event took place on June 17th at the home of Mrs. J.A. Trimble, town line, Mono, when her second daughter, Louie, was united in marriage to Mr. W .E. Raine, son of Mr. and Mrs. Raine of Britannia, Ont., in the presence of the immediate relatives. The ceremony took place under an arch of evergreens decorated with flowers and bells. The bride looked charming in blue silk with lace fiches and pearl trimming and bridal veil, with wreath of orange blossoms. She carried a bouquet of white carnations, and entered the drawing room on the arm of her brother, Herbert, to the strains of the Lohengrin wedding march played by the groom's sister, Miss Mary Raine. Miss Winnie Trimble in pale blue silk and Master Harold Hamilton, little niece and nephew of the bride, carried the ring in a calla lily centred in a basket of sweet peas. Rev. J .S. Stevenson, B.A., B.D., was the officiating minister. After the ceremony the party adjourned to the dining room, where a delightful repast was served. The bridal party left on the evening train, en route for Toronto and eastern points and afterwards will take up t heir residence at Britannia.

Peel Gone Dry

The last drop of liquor was sold over the liceced bar in Peel County last Friday night. This was the result of the voting on the Canada Temperance Act last January. The Act does not go into force until May 1st, 1915 but according to an agreement between the liquor dealers and the license Department the licenses were cut off July 31st. In Streetsville, the closing of the bars was celebrated by a jollification which lasted well on into the morning and although the crowd was noisy there were no attempts at Violence.

We understand that both the hotel premises here are for sale, and will in all probability be run as temperance houses by private individuals. The other places affected are Port Credit, Cooksville, Erindale, Malton, Meadowvale and Claireville.

Forty years ago there were 91 hotel licenses and 15 shop licenses in the county but the constant agitation has been the means of wiping the licensed liquor trade completely off the map of Peel County. *The Streetsville Review* - August 6, 1914

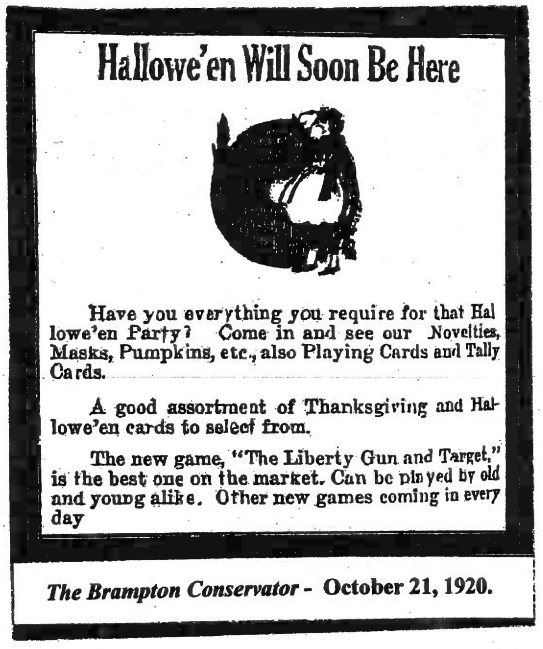
Hallowe'en at Britannia

The little folks of the neighborhood were entertained at a delightful old-fashioned Hallowe'en party on Saturday night last at the home of the Anderson Brothers. Twenty of the smaller people attended, and engaged in taffy pulling, diving for apples. and the other games of the festival that have been in vogue for a hundred years. A lovely supper followed the games, and the youngsters thought the party a great improvement on running around in the darkness, trying to have a good time.



Hallowe'en Will Soon Be Here
Have you everything you require for that Hallowe'en Party? Come in and see our Novelties, Masks, Pumpkins, etc., also Playing Cards and Tally Cards.

NATIONAL ANTHEM

God save our gracious king,
Long live our noble king,
God save the king!
Send him victorious,
Happy and glorious,
Long to reign over us,
God save the king!

O Lord, our God, arise,
Scatter our enemies,
And make them fall;
Confound their politics,
Frustrate their knavish tricks,
On Thee our hopes we fix –
O save us all!

Thy choicest gifts in store
On him be pleased to pour;
Long may he reign!
May he defend our laws,
And ever give us cause
To sing with heart and voice,
God save the king!

Brampton

Both Public and High Schools are filled to overflowing. Two hundred pupils applied at the latter school for admission, being 30 in excess of last year's attendance. Two new teachers take the place of two former teachers resigned. At the public schools over 700 children were in attendance, with four new teachers on the staff, two rooms in the curling rink being used until the new school is ready.

A good many rural schools show an increase in attendance, Cheltenham having built another room this summer, employing two teachers instead of one, with 64 pupils. Britannia, which six years ago had an attendance of 10, now has 35.

Public and High Schools will reopen next Tuesday, Sept. 6th, and the scholars are rejoicing.

Britannia

Britannia Church was crowded on Monday night with people eager to hear Rev. Dr. Stauffer give his lecture 'Their Engagement Day'. Rev. J. A. Petch occupied the chair. Pleasing duets were rendered by Misses Ames and Sandusky, who were repeatedly encored. Dr. Stauffer spoke for about an hour and a half. He was very interesting indeed, as everyone whoever heard him must admit. The young people were given good advice on this very serious business of getting married - and they evidently took it. The lecturer abhorred the divorce court and gave statistics that proved to be a disgrace to a Christian country. If there were no divorce court people would not want to be divorced. It is a fact that just as soon as you advertise anything people will want it - and when you establish a divorce court people will want to be divorced.

Mr. Robt Crawford moved a hearty vote of thanks to Dr. Stauffer, and the audience showed their appreciation by vigorous handclapping.

Mrs. Stauffer accompanied her husband and were the guests of Mr. and Mrs. Chas. Johnston. They went on a fishing trip to Caledon the next day.

Obituary

The hand of death has claimed another of our residents in the person of Mary Melissa Waite, beloved wife of Mr. W. G. Sparling, who passed away Monday afternoon, May 15, after a month's illness. She was a daughter of Isaac Waite, one of the five pioneer families of Britannia. Mrs. Sparling was born in Eden, where he r father removed 74 years ago, and has always lived in the district, removing to Lisgar on her marriage 44 years ago, and coming to Streetsville with her husband a few years ago.

She is survived by her husband, one daughter, Mrs. George Mason, of Eden, and two sons, William and Leonard, Lisgar, and three sisters, Mrs. J. Leary, Britannia, Mrs. W. Dunton, Cooksville, and Mrs. Utter, Palermo, two brothers, Joseph of Norval and Alfred of Eden.

The funeral took place yesterday to Eden Church and Cemetery, and was largely attended. Rev. J.A. Petch conducted the service at the church and at the grave.

The pallbearers were Messrs. Wm. Chambers, D. Cordingly, J.W. Miller, Jas. Kee, J.S. Mason and W.H. Buck.

The floral tributes were numerous and very beautiful and showed the esteem in which she was held.

The sympathy of the community is extended to Mr. Sparling and family in their sad bereavement.

His grandfather gave the ground for what was formerly known as Gardners Methodist Church and Cemetery. Mr. Gardner was for many years a prominent member of Toronto Twp. Council and was widely known as a temperance and Sunday School worker. He is survived by his widow, Alberta Dunton, one son, Reginald of Northern Ontario, and one daughter, Lorna, at home. The Streetsville Review - September 14, 1922

Wesley J. Might, one of the best-known citizens of Brampton, died suddenly Sunday evening in the hall of Dr. F. Vanderlip's office, whither he had gone for consultation on a slight indisposition. He was accompanied by his son, Aubrey Might, of Britannia, and appeared in high spirits. As he was leaving the office with his prescription, he fell and expired.

Mr. Might came from Omemee, where he was born, to Britannia, 40 years ago, farmed there successfully 30 years, and retired to Brampton 10 years ago. He was 70 years of age, a prominent Methodist, and a warm supporter of the Conservative Party.

His widow, formerly Miss Annie Leary, granddaughter of one of the first settlers of Toronto Township, survives, also one son, Aubrey, and one daughter, Mrs. J.J. Stewart, of Brampton.

Cooksville's population now stands at 739, an increase of 68 over last year. There are twelve new families in the area regarded as Cooksville. This increase would have been multiplied if there had been homes to accommodate even half the number who have sought and are still seeking homes here. Cooksville offers builders and investors a certain and safe return.

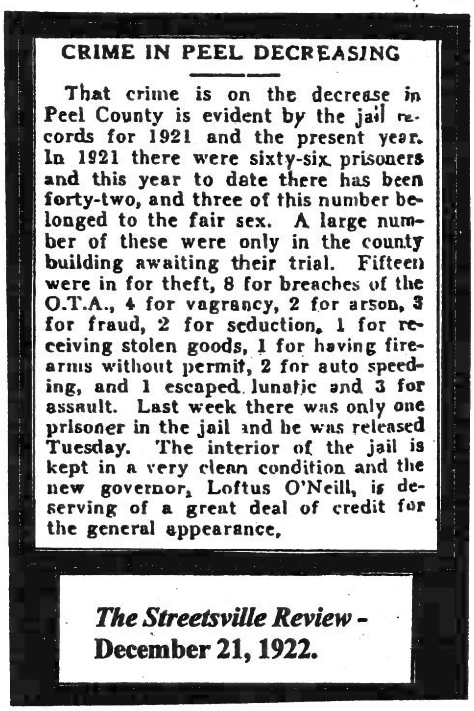
Britannia

The three frame barns, belonging to the Anderson Bros., Centre Road, Britannia, were destroyed by a fire of unknown origin, with the season's crops, last evening. The stock was saved but the loss was great.



CRIME IN PEEL DECREASING

That crime is on the decrease in Peel County is evident by the jail records for 1921 and the present year. In 1921 there were sixty-six prisoners and this year to date there has been forty-two, and three of this number belonged to the fair sex. A large number of these were only in the county building awaiting their trial. Fifteen were in for theft, 8 for breaches of the O.T.A., 4 for vagrancy, 2 for arson, 3 for fraud, 2 for seduction, 1 for receiving stolen goods, 1 for having firearms without permit, 2 for auto speeding, and 1 escaped lunatic and 3 for assault. Last week there was only one prisoner in the jail and he was released Tuesday. The interior of the jail is kept in a very clean condition and the new governor, Loftus O'Neill, is deserving of a great deal of credit for the general appearance.

Britannia

The people around Britannia are having a great time demonstrating a stringless corn binder. This very odd binder ties the corn loose. The corn loads very easy and Elmer can handle two wagons. Ed and the two Jacks make fine forkers, but pity the dupe at the box. The wanderers from the west have arrived home. The Millet King from Poverty Hill seems very happy these days. The cow puncher from the same place still smokes. Alfy, the potato king, thinks handling brick is heavy work.

THE indomitable folk of Northern Ontario deserve your practical sympathy. Remember, eighteen hundred families have been burned out—and must start all over again. These wonderfully rich farms, mines and aggressive young towns will re-build and come back to their own—but it takes time. And in the meantime they must live, they must have temporary shelter and there's nobody to give it to them if we don't.

Suggestions for contributions from Clubs, Factories, Organizations, etc.

1. $500.00 will provide a Shelter Shack for a Family and Rough Stable for Cattle.
2. $350.00 will provide a Shelter Shack for Family.
3. $200.00 will provide Food and Supplies for a Family to May 1st, 1923.
4. $100.00 will provide a Wagon for Settler.
5. $75.00 will provide a Set of Harness (double).
6. $50.00 will provide a Set of Bobs or Sleigh for a Farmer.
7. $25.00 will provide a Sewing Machine for a Home.
8. $20.00 will provide Kitchen Furniture for a Family.
9. $15.00 will provide Cooking Utensils for a Family.
10. $9.00 will feed a Family for a week.
11. $5.00 will provide Needles, Thread, Buttons, Scissors or Yarn and Knitting Needles, etc. to help outfit a Home and Family.
12. $1.00 will feed and supply a child for a week.

Make Christmas come back again

Picture a Christmas in a nearly bare shack in a burned out town in a Northern winter. Hundreds of children up there, remember. Make a money contribution now and show your northern fellow citizens that the Christmas spirit lives and has a real meaning in Ontario. All they ask is bare necessities—they deserve at least that much.

Now it is up to you—every public spirited citizen and charitable organization. Spare one dollar, five dollars, one hundred dollars or whatever you can. Spare something from your Christmas cheer. Make Christmas up there a little less than a grim tragedy. Remember, not comforts, but bare necessities in the grip of a northern winter, is all that they ask. Send today? Make cheques payable to—

MOTHER!

Your Child's Bowels Need "California Fig Syrup"

Hurry, Mother! A teaspoonsful of "California Fig Syrup" now will thoroughly clean the little bowels and in a few hours you have a well, playful child again. Even a cross, feverish, constipated child loves its "fruity" taste, and mothers can rest easy because it never fails to work all the sour bile and poisons right out of the stomach and bowels without griping or upsetting the child.

Tell your druggist you want only the genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother, you must say "California." Refuse any imitation.

Off to school on a winter morning.

Fresh and rosy—or pinched and chilly? That's a matter for Mother to decide.

Children, as well as grown-ups, need a hot mealtime beverage that is wholesome, invigorating, and free from harmful after-effects.

Childhood is the period when nervous activity is at its height. The brain is ever busy receiving new impressions; the nerves, muscles and senses are alert and actively developing.

Tea and coffee are harmful, especially for children. Instant Postum is the one best beverage to give them needed warmth and comfort, these cold and frosty mornings. It is made of roasted wheat, has a delightful flavor and aroma, is free from any harmful element whatever, and is wholesome, healthful and invigorating.

Order a tin from your grocer TODAY. You will enjoy it as much as the kiddies do.

Britannia

About fifty young people of Britannia and vicinity met at the home of Mr. and Mrs. W. Ellis (nee Mildred Ames) on Wednesday evening and presented them with a beautiful library table. The address was read by Miss Anderson and and the presentation made by Messrs. Fred Oram and Douglas Dunton. Mr. Fred Irvine acted as chairman in his usual pleasant manner. Refreshments were served and an enjoyable evening spent in dancing.

Mr. W.T. Thomson, who lived on a farm near here for the last few years, has returned to the States, where he lived formerly. His wife accompanied him.

Meadowvale

Tuesday evening, June 19th, the Britannia Football team visited Meadowvale for a return game with the locals and the two teams staged one of the fastest and most exciting games this district has seen in a long while. Britannia, probably on account of wearing full football regalia, while the Meadowvale team wore overalls, seemed to think they had come for a walk-over, but with the score of 2 - 0 against them at half time had to think again.

In the second half Britannia made desperate efforts to equalize the score and did succeed in netting the ball once, but the hefty J. A. Hammond playing full back, was too much for them, kicking the ball clear from one end of the field to the other any time they got dangerous. The enthusiasm of the crowd was certainly encouraging to the local team and it is really a feather in their cap to defeat such as well-known team as Britannia.

Britannia

Mr. and Ms. Wm. Fewster are the proud parents of a very fine baby, a girl, which arrived on Saturday. Mother and child are both doing well.

The road near Britannia is again under repairs, and is consequently in a state bordering on chaos.

Mr. and Mrs. White Anderson, their nephew, Mr. W. McKechnie, and his mother, motored to Macville recently, where they visited friends. said that the roads were good most of the way up, and thoroughly enjoyed the visit.

The people living in the neighborhood of Derry West have been glad to hear that Miss Sheard is getting on very well lately. The operation which took place last week was successful, and, although another may be necessary, Miss Sheard is doing well as can be expected. Needless to say, everybody hopes that she will be around again soon.

Softball

It is rumored around the four corners that the county championship of the Girls' Softball League has been awarded to the Streetsville team, but until some further particulars come to light, it is pretty hard to understand "how come"! The last demonstration in public was when Streetsville played Britannia on the latter's diamond. The score was a tie, Britannia was at bat with two men out; Streetsville had still an inning to come; and the game broke up in disorder and darkness, caused by the spectators, in the excitement of a play at the home plate, crowding on the field until it got too dark to play further; and there you are. The umpires did not call the game, it just got out of their hands entirely. It is usually considered up to the home management to see that the grounds are kept clear; but under the circumstances it was impossible to clear the field and the Streetsville supporters were just as responsible as the home supporters in cluttering up the playing field. Had the umpire called the game, of course, it would have reverted to the previous inning, and in that case Streetsville would have won. But the game was not called - it just broke up. The players, themselves, had nothing to do with it. Then how, in common sense, can the game be awarded to Streetsville? This being handed the championship via the committee room is a most unsatisfactory way to end the season; it causes a lot of bitterness and does more to break up the sport than anything else. Will the Streetsville team feel very well satisfied at taking the honors in this manner? Would it not be far better to play it out and lose than to have it handed to them on a platter? It would be a very easy thing to have the game replayed on, say, a Saturday afternoon, on neutral grounds and with neutral umpires. What could be harder for a local umpire, with sympathies in favor of his home team, to give a close decision against his own team; and when he gives one for them, the other team and supporters give him the razz. In the name of good sport, play the game out. No sport will last where the committee room, and not the playing field, award the honors.

Britannia

The Anniversary Services of the Britannia United Church held last Sunday were greatly appreciated by the splendid congregations which were present. In the morning the Rev. S .J. T. Fortner spoke on the subject " The necessity of high ideals in public leadership". In the evening Rev. Levi Halfyard of Lambton delivered a very delightful address. The congregations express their great satisfaction of the inspiration from these addresses.

The choir carried out their part, assisted by Mr. Root of Streetsville to the great enjoyment of those present.

The Supper and Concert held in Britanniia United Church Tuesday evening was a decided success. Though the night was introduced with the usual rain, and the roads back from the highway were in bad condition, a good audience was present and enjoyed a splendid supper and an unusual high class program, some pronouncing it one of the cleanest and most delightful they had ever attended.

CANADA'S DIAMOND JUBILEE
---PEEL'S DIAMOND JUBILEE
60 Years of Progress in this County
In every corner of Canada arrangements are being made for a suitable celebration of the Diamond Jubilee of the Dominion. Peel will be in the forefront in this commendable matter. In this county there will be a double celebration. Peel's history as a separate county began in 1867. To properly mark these important events we purpose issuing a Jubilee Number of THE NEWS. This special edition will carry numerous illustrations and it is our intention to cover as widely as possible the developments throughout the county along agricultural, industrial, educational and general lines in the past 60 years, as well as do justice to the wider field of Canada's Confederation Jubilee...

L.O.L. Banquet

Union L.O.L. 263, Streetsville, held a Past Master's night last night. This lodge is a Union of 263 and 290 and it was the first event of its kind since 263 was organized in 1855. Among the Past Masters present were Wor. Bros. Thos McCracken, (71 years an Orangeman) Jos. Burton, J.T. Bonham, T. H. Wilson, Edgar Adamson, J.H. Gibson, H. Bentley, N.S. McCracken, W.J. Cooper, J. H. Beamish and V. J. Bonham, also Past Master J.G. Hillier from the West.

Among the visitors from Cooksville were Past County Master J. B. Guthrie, Past District Master J.H. Ward, and Tom Cave, who is a Past Master of a lodge in Ireland. From Brampton, Past County Master, W. E. Harris (46 years an Orangeman) and Past Master, Thos. Mara of No. 10.

Wor. Bro. W.E. Elliott was in the chair and after a minute's silence in memory of deceased members, short speeches were made by s ome of those present.

Bro. N. Steen sent his regrets at not being able to be present.

The members of Jeanie Gordon L.O.B.A. 464 graciously provided a sumptuous banquet to which all did ample justice. About 100 were present. The program consisted of speeches by Bros. S. Charters, MP, Tom Kennedy, MPP, (now Brigadier General), Wor. Bro. J.H. Beamish, Bro. J.J. Jamieson, Reeve Toronto Township, and O. R. Church; selections by an Islington trio (Messrs. Beamish, Brice and Crane); readings by Miss McLean of Britannia and Miss Jessie Jamieson of Cooksville, instrumentals by Miss Lenore Plant and Mr. J.G. Hillier.

Miss McLean gave a splendid rendering of "Canada", by Pauline Johnston and was loudly applauded and encored. She responded several times and was greatly appreciated.

Miss Jamieson delighted the audience with her selections and the one entitled "The Colors of the Flag" was exceptionally good. She was encored each time and generously responded. Miss Jamieson shows great ability in the elocutionary line and we believe has a bright future before her.

After a hearty vote of thanks to all who assisted to make the eveing a success, the meeting was brought to a close by singing the National Anthem.

TORONTO WOMAN WINS $10,000 ATLANTIC MONTHLY NOVEL PRIZE

Above is the authoress of "Jalna" and the winner of the Atlantic Monthly's $10,000 prize novel competition. Miss Mazo de la Roche. Her inspiration has been the rural life and landscape of Ontario, the great lakes and the sea. And one must not forget her Aberdeen terrier, "Bunty," who is shown above. Miss de la Roche is a great lover of horses and birds as well as dogs and her favorite hobby is gardening on her Clarkson estate. Her ambition in her own words is "to write a fine Canadian play and have a good asparagus bed." "Jalna" is her fourth novel; and her chief satisfaction at its success is that it enables her with her mind at ease to start her fifth novel.

MARRIED

Dunton - Strangway

A very pretty wedding took place at the home of Mr. and Mrs. C .W. Strangway, Brampton, on Saturday afternoon, when their daughter, Ilo Janetta, became the bride of Douglas Stewart Dunton, son of Peter Dunton, and the late Mrs. Dunton of Britannia. The Rev. R .B. Strangway, cousin of the bride, officiated. The bride entered on the arm of her father to the strains of Lohengrin's Wedding March played by Miss Edith Irvine of Britannia. The wedding took place under an arch of evergreens tastefully decorated with spirea and pink honeysuckle, and the bride looked charming in a gown of white georgette, trimmed with rhinestones and lace, and wore a tulle silk embroidered veil, caught up with orange blossoms and lily of the valley. The bridesmaid, Miss Edith Strangway, wore a gown of peach georgette, trimmed with silk cutwork and carried Ophelia roses. Mr. Fred Irvine, of Brampton, acted as groomsman, and during the signing of the register Miss Edith Irvine sang . The bride's mother wore a gown of sand georgette and cream lace and acted as hostess at a dainty luncheon.

Later the happy couple left amid showers of confetti for a boat trip up the St. Lawrence, the bride travelling in a gown of rose silk crepe de chine trimmed with beige, and wore a large picture hat to match. Her coat was of white kasha cloth, and was trimmed with white fur and touches of black satin. On their return Mr. and Mrs. Dunton will reside at Britannia.

A splendid entertainment was given in the United Church Tuesday evening, under the auspices of the Ladies' Aid, by Churchville young people, who put on the play, "The Man of Yesterday," in a very creditable manner. Sandals, Rollings and Pugh, and Mrs. Varey, Mrs. Anderson and Miss Mary Fraser.

BRITANNIA

The Ladies' Aid of the United Church were highly commended last week for their enterprise in bringing the Ladies' Aid of Churchville to give their play, *A Man of Yesterday.* This proved to be a delightful entertainment, more so because the players were known to the audience. The play with its pointed s tory of modern license for young people and the dangerous avenues opened by this license, was not lost on the appreciative audience. Rev. S.J.T. Fortner was in the chair, and a program of musical numbers, recitations, etc., was given by Mrs. Dave Powrie, Mr. W. Rollings and Mr. W. Sandals who sang trios, Mrs. Bert Anderson and Mr. Leslie Pugh, Mrs. Verey and Mr. Ollie Burton, and Miss Mary Fraser. The proceeds of the evening amounted to $41.35.

Bathers to Appear Properly Dressed

Constable William Rutledge is determined that young ladies or gentlemen shall not appear on the streets of Port Credit improperly dressed. He, like the majority of citizens in Port Credit, think that young ladies who are going to the beach for the purpose of having a dip, should be properly covered while walking through the streets of the town.

COOKSVILLE

John Carberry, of the first line east, just north of Cooksville, is the only person surviving who was present at the dedication of St. Joseph's R .C. Church, Streetsville, 70 years ago. He was born on the farm on which he lives just 79 years ago, and he has spent his entire life there, his son, Peter Carberry, now carrying on the farm. Mr. Carberry is the third generation of the family to live in Canada, his grandfather on his mother's side having fought in the War of American Independence.

He was granted 200 acres of land near Hamilton, his sons receiving the same gifts. One uncle of Mr. Carberry was given a grant in Haldimand County, afterwards becoming sheriff of the county. The land on the first line had to be cleared, and even in John Carberry's time the barns and buildings on the farm were put up with timber cut on the place. There is in the home a much prized gate leg table of black cherry made from a tree grown on the place. Mr. Carberry lost his wife two years ago, and besides the son, Peter, with whom he resides, he has three daughters, Miss Annie, Toronto; Mrs. D. O'Connor, Streetsville, and Mrs. L. Caine, Cooksville. Mr. Carberry is still devoted to his church, and is greatly revered by the younger generation of worshippers at St. Joseph's.

Britannia

Britannia United Church held a very successful garden party last Thursday evening at the residence of Mr. Chris Irvine, Centre Road, when there was a large attendance.

Mr. A.S. Forster, editor of the Oakville Star, and a native of Britannia district, was chairman. The Melody Boys from Hamilton contributed largely to the program, and made quite a hit with the audience in their humorous selections. They are known as "The Three Arts" of the Ontario Plate Glass Co. and are making a big reputation as versatile entertainers. Mrs. Collinge of Oakville, soprano soloist, Miss Dorothy Price of Toronto, elocutionist, and Mr. Willard Scoog, of Oakville, also assisted with several choice selections.

The weather was very favorable and a big business was done at the refreshment booths. An autograph quilt was autioned off at a good price.

A pupil was having trouble with punctuation and was being called down by the teacher.

"Never mind, Sonny," said the visiting school board president, consolingly, "It's foolish to bother about commas. They don't amount to much anyway".

"Don't they?" replied the teacher, turning to one of the pupils she ordered the boy to write on the board this sentence: "The president of the board says the teacher is a fool."

"Now," she continued "put a comma after 'board' and another after 'teacher'."

Forster Family Celebration
Held Near Streetsville Last Saturday
Five Generations Gather at the Old Homestead

Every tribute that could be paid to an Ontario pioneer was heaped upon the memory of James Forster, who settled at Stave Bank, two miles west of Britannia, 100 years ago, when descendants of the sixth generation met at the old homestead on Saturday last, the climax to this great event being the laying upon his grave in Streetsville Cemetery of a wreath with the dates 1828-1928.

The first reunion of the various branches of the family held since the coming of James Forster was made from first to last an honor to the founder of the family. In a large marquee, hung with Union Jacks, an emblem sincerely revered by this family, was placed the portrait of James Forster, the work of one of his grandsons, J. W.L. Forster, and facing it the wreath that became the culminating effort of the day.

Four of James Forster's sons and one of his daughters were represented in the gathering of 125 people who came from Dallas, Texas; Sarnia, Shelburne, Georgetown, Cheltenham, Streetsville, Oakville, Fergus, Guelph, Orangeville, Mono Mills and Stratford. Six of his grandsons, men now treading the later paths of life, were present, and three great-great-great-grandchildren, all under seven years of age, romped over the ground on which these men had played as boys.

The grandsons were Arthur Stewart, Dr. James Moffit, Fred A., Newton L., sons of John Forster; Benjamin, son of James, and J.W.L., son of Thomas. The great-great-great-grandchildren were Barbara Ann and Jane Blake, Toronto, and Baby Parker, Sarnia.

Miss Gertrude Forster, of the fifth generation, acted as registrar, and commenced a record of the family that will later become a family tree, names of parents and dates of births being secured. These will also be incorporated in a family history.

Following four hours of reminiscences and of tracing relationships, supper was served in a large marquee, all of the grandsons and their wives being seated in the place of honor at the head table, and the rest of the clan was grouped according to generations. With the guests of honor were old friends of the family, Robt. George Brown, a descendant of next door neighbors of James Foster; Peter Dunton, Britannia, an old friend of John Forster's family; Mr. and Mrs. Walker, whose family had always been friends and neighbors, and Miss Elizabeth Applebee, Stewarttown, provincial historian of the Women's Institute. ...

Miss Cassie Forster outlined the trek of James, son of James the pioneer, from Britannia in 1865, to Garafaxa, with his household goods and his family of 13 children. She told incidents of harvesting with sickles and threshing with flails that are family traditions of the life at Britannia, a crop of 500 bushels at a dollar a bushel paying for the farm there. ...

At School

Retain for the children the good of the summer vacation

For two months the children have played in the sunshine and outdoors, building up vitality and strength. Now they are back at school where study and confinement will drain away the fruits of the vacation—unless they are well nourished. So now, an important part of their diet should be pure milk—nature's best food for growing children. It contains proteins for new muscle tissue, lime for the teeth and bones, essential iron, phosphorus for regulating the body processes, and most important of all, vitamines to take the place of the summer sunshine.

SUDDEN DEATH OF COWS CAUSES MUCH ANXIETY

May Have Been Killed by Lightning
Dominion Analyst Investigating

The death of three cows of the Thompson Farm, Second Line East, Toronto Township, late on Saturday night or on Sunday morning is causing some difference of opinion whether the death was due to lightning or some other and obscure cause. Dr. F. Hutchinson, of Brampton, has sent parts of the ears and a blood test of the three animals to the Dominion Analyst who will determine the cause of the trouble. Other sudden deaths among cattle have been since recalled by Dr. Hutchinson, where in each casr similar symptoms have been shown.

The cattle of the Thompson farm commenced to bloat immediately after death, while the carcases did not show any signs of distortion from convulsions to follow poisoning, either from weeds or minerals.

MALTON

The Malton Farmers' Club held their monthly meeting at the home of Mr. and Mrs. E. Parkinson. Despite the busy season the attendance was excellent.

The early part of the evening was taken up with the men's business meeting, while to the more enjoyable part the committee, Mr. G. Viney and Mr. Thompson treated the gathering to to an excellent programme.

Miss Jessie Jamieson of Cooksville favored the audience with several humorous readings. Mr. Clarence Denis, Britannia, enlightened the meeting on many things in connection with the St. Lawrence Waterways. Mr. Deni showed the benefits also giving the estimated cost. Miss Eileen Peacock and Miss Jessie Grice gave pianoforte selections which were well worth listening to, while Miss Grice also favored with a beautiful solo. Mrs. A. Viney and Mr. G. Viney sang an old-fashioned duet which was appreciated highly. The chair was ably taken by the President, Mr. Charles Sheard in his usual easy manner. A sumptuous lunch was served by the hostess. The next meeting will be held at the home of Mrs. S. Graham on May 15th.

OLD WAITE HOMESTEAD STILL WELL PRESERVED
Has Sheltered Three Generations And Was One Of First Peel Houses

One of the few remaining links between the present and the past is the old Waite house situated on lot 6, Centre Road, at Britannia, little worse for its battle with wind and weather. Its builder was Isaac Waite, whose brother-in-law, Joseph Wilson, is said to have constructed the first grist mill on Yonge Street.

When Isaac Waite first arrived in Canada with his young bride the couple came to the Centre Road, and in a very thick wood put up a slab shelter. Mrs. Joseph Foster, of Brampton, now 83 years of age and a granddaughter of Isaac Waite, yesterday recalled for *The Telegram* stories of this shelter as told by her grandmother.

It was built without windows, for Mrs. Waite said, the wolves which howled around the rude at night would have torn windows out trying to reach the occupants of the shelter. This shelter was later replaced by a log house, built at the corner of the Britannia side road and the Centre road, and soon after, the present house became the homestead.

The present house is built somewhat on the blockhouse style. It is erected on foundation timbers 10 inches square, which are perfectly sound today, while are perfectly sound to-day, while the 16-inch boards are practically without knots. Shingles and timbers, and all other lumber used in the house, were cut on the place.

Baked in Kettles

Mrs. Foster remembers the cooking that was done in the huge fire-place in the kitchen, an enormous iron kettle with a convex lid and iron feet was filled with bread-dough. To bake the dough, the kettle lid was filled with coals, red-hot embers were piled around the kettle and the bread was soon ready for eating. Later, a tin oven called a "Dutch" oven, replaced the kettle, baking the bread and pies in front of the fire. However, the crane has passed, the fireplace has been closed up, and cooking now proceeds along more modern lines.

Isaac Waite went to Muddy York for his grist and flour, and Mrs. Foster tells how he once set out to bring two barrels home on an ox-cart. However, he had to visit so many places on the way back where he felt obliged to make a gift of flour, that the supply was very slim when he finally reached his own place.

Mrs. Foster's mother was born in the old house on the hill in 1825, some years after it was first built. She herself lived in the log-house when a child, later living in the rough-cast house at the corner of Britannia,

.....continued on next page

which her father, Joseph Muir, a wagon-maker, built over 70 years ago.

Helped Build Church

Britannia Church was always the home church of the Waites, the family attending the original log structure known as Gardner's Church, before the brick building was erected in 1847. When the brick church was built, the Waite Family took a prominent part in the actual building operations, also assisting with the financial aid.

Matthew Waite, son of Isaac Waite, settled on the first line west, and was one of the best known preachers on the the local plan, his father, who had been educated for the Church of England ministry, training him in this work.

The Waites or their descendants occuppied the old house for more than a century, the last member of the fmily to live there being Mrs. William, a granddaughter of Isaac Waite. Twelve years ago the property passed into the hands of Miss Clara Johnston, descendant of another pioneer family of Peel and York. It is the proud boast of the Waite family that they had held the land for over a century, always free of the shadow of debt from the moment the Crown deed was granted.

BRITANNIA

Members of Trinity Juniors, who made such a wonderful showing at the Capitol Theatre in the Musical Festival last Thursday night, have received endless congratulations this week on their success. That they should take such a high standing was not entirely unexpected, for those who watched the progress made from week to week under the tuition of Mr. Pescott, realized that a surprise was coming to the audience. Mr. Pescott took the talent in the chorus, and shaped it to good purpose, and the general feeling is, that not only has the chorus achieved something in the mechanical singing of vocal numbers, but they have opened to them, doors to new accomplishments in music, and have acquired an understanding of higher ideals. The performance of the orchestra was the best demonstration of this fact. The thanks of the community is due the choir for this honor brought home, and also to the director, not only for the honor, but for the education in music that will make next year's work a joy and pleasure.

Hard work done on Mr. White Anderson's old barn Centre Road, has it almost entirely dismantled, and preparations are almost complete for the barn raising that is being anticipated for the near future. A social event of much interest to the community, this raising is being talked about everywhere.

Members of the Ladies' Aid met this week and discussed plans for the coming house social. Mrs. Rob. Anderson will be the hostess and the date has been set for June 21, Friday next.

The executive of the newly formed Women's Institute met at the home of Mrs. Aubrey Might this week, and adopted mottos and planned hostesses for the meetings to be held this year. The programs were drafted out, and will be presented to the next meeting of the Institute to be held at the home of Mrs. George Fenwick, and on their adoption will be printed.

Rev. W. A. McKay preaches his farewell sermon at Britannia on Sunday next, Rev. S. J. Fortner on the following Sunday. Old Britannia Church has seen many changes in pastors, and such changes appear to be inevitable. The congregation will say good-bye to these two pastors with extreme regret, having both been faithful and useful stewards of the charge entrusted to them.

Miss Wilda McKechnie has returned from a very pleasant visit of three weeks to friends in Markdale.

Mr. Bill Chinnery, who is employed at Miss Clara Johnston's farrm, was operated on last night in Peel Memorial Hospital for appendicitis, and latest reports this morning show that he is making satisfactory progress.

The Ladies' Aid of Britannia United Church met last Thursday at the home of Mrs. Rob Anderson, president, and decided to raise funds to finance a program of renovation in church and Sunday school. They also discussed a wayside booth for the summer months, to add to their funds. Miss Mary Johnston, secretary-treasurer, reported a total of $147 on hand. A programme, followed by refreshments, was given by Misses Joan Ann Anderson, Mary Johnston, Mrs. T. Graham and Mrs. L. Schrag.

SLOW ORDER ISSUED FOR RADIAL CARS

Railway Board Limits Speed to Ten Miles an Hour at Burnhamthorpe Crossing

The Dominion Railway Board has issued a slow order on Radial cars at the Burnhamthorpe Crossing, north of Cooksville where four people were recently involved in a fatal scci-dent. Heareafter the cars will not be allowed to run past this crossing at a speed greater than ten miles an hour. A warning bell will also be installed at this point.

Hon. Geo. S. Henry this week stated that arrangements were being made for a stricter examination of car drivers, and where highway officers find persons in charge of automobiles careless or inefficient, their driving will be the subject of further examination.

"The situation", remarked Mr. Henry, "is most serious and I am quite aware of it. There are far more accidents than I like to see. And I am more concerned about them, in fact, than are many o0f the men who sit on Coroner's juries."

PRESENTATION TO REV. W.A. AND MRS. MACKAY

On Tuesday, July 2nd, a large and happy gathering of the Britannia folks and friends met at the home of Mr. Tom Graham, to bid farewell to their minister Rev. W. A. MacKay and family. Mr. J. B. Ross was asked to act as chairman and did so in his usual happy manner. A short program was given, consisting of a piano solo by Miss Fenwick, duet by Miss Edith Irvine and her mother, solo by Miss Fenwick, recitation by Hazel Ross, piano duet by the little Misses Price, piano solo by Miss Dunn and musical numbers by Mr. Jim Tilt.

Then Mr. Will Elliott read the following address to Mr. MacKay, and Mr. Ed. Morris, Mr. Tom Graham and Isabel Elliott presented Mr. MacKay with a gold watch chain, and a clock, and to Mrs. MacKay, a beautiful floor lamp.

Britannia, July 2, 1929

Rev. W.A. and Mrs. MacKay:

Dear Friends: We, your Britannia friends, have gathered here on the eve of your departure from our midst, to show our respect for you and and the love and esteem in which you as our pastor have been hld since you came to this appointment four years ago.

As a minister you have been extremely faithful in presenting at all times a spiritual message to your people, and we feel that words inadequately express our loss at your removal from our circuit.

You have always counselled the old, advised the young, and exerted a steadying influence over our quarterly board in all matters pertaining to the Church.

You have been very patient and very optimistic even when things looked most discouraging.

You did ever strive to impress upon us the necessity of keeping straight the plumb line of our lives.

You told us that there was a way which seemeth right unto a man, but the end thereof was the way of death. That the sower went forth and sowed the seed, but only the good seed, deeply rooted, came to a harvest, and that the great faith of Peter opened even the gaol doors.

We appreciate very much the keen interest which you took in the young people, especially the meetings which you held all through the three winters. They were very instructive and very profitable and when the means of several joining the church.

We hope that your new charge will not be a heavy one. We know that you will make many friends as you did here and that the efforts which you put forth in the great life work which you have chosen may be crowned with lasting success.

As a small token of our appreciation of the work which you have done here we wish you to accept this floor lamp, clock and chain.

By Burnhamthorpe School

Cooksville School Fair, although marred by light showers, was a genuine success last Friday. Children turned o ut in large numbers and the afternoon, which was fine and moderately warm, was enjoyed by a large number of adults as well. Being largely a fruit and vegetable show, the fair was not quite so good as last year on account of the continued drought. Nevertheless a splendid showing of apples, tomatoes and flowers and other vegetables, all of which were good for the season. The various classes of poultry shown were of excellent quality. Animal classes which are usually light at this fair were more so this time. Martin Graham, 12, Toronto, won the Royal Bank Special prize for his Jersey Calf, though Bob Cousins from the same school beat him in the handling.

Empire Day Greetings

From the Minister of Education to the Pupils In Our Schools In Ontario

I hope you will fix in your minds today and remember as long as you live some of the many great things for which the British Empire stands. As we are all members of our Empire and share in the benefits it gives us, we should try to keep b efore us its chief objects as well as the causes that make it so powerful and respected. There is no Empire like it in the world, nor has there ever been one of the same kind. If you travel into distant countries, you will find that the fact of your being British born gives you standing at once. As you cross the oceans they are made safe by the Navy wherever you go, because Britain remains Mistress of the Seas. You cannot help feeling that honest patriotic pride which which comes from being a partner in a vast and rich union of countries that have kept together for hundreds of years and show no sign of falling to pieces.

As Canadians, you have the best reason for honouring Empire Day, seeing that Canada is one of the free nations of the Empire and owes much of her fame abroad to her close connection with the Motherland and to the belief that all who make their homes in this dominion are sure to enjoy the blessings of British rule. In the years to come you will take your parts, as grown-up men and women, in the task of keeping the Empire strong and united, so in the meantime it is well to remember that its foundation stones are liberty, justice, and truth.

G. HOWARD FERGUSON,
Minister of Education.

Britannia

Charles Johnston, one of the best known farmers of Britannia, is likely to lose one eye and carry permanent scars as a result of being kicked in the face by a horse.

Johnson was operating a mower in the hay field when a swarm of bees tried to settle on the horse. He jumped from the machine to try and drive the insects away, stumbled and fell beside the horsr. The maddened animal lashed out and struck Johnson in the face. He was taken to Dr. W.H. Brydon.

Peel Has 5442 Automobiles And 925 Commercial Trucks

It is a common assertion that the county of Peel has a general condition of prosperity greater than other counties of like population in the province. This is no vain boasting. Statistics furnished by many departments prove it to be a well established fact. Here are figures furnished by Mights' Directory for 1936. From this report it is learned that last year the people of this county possessed no fewer than 6367 passenger and commercial cars, divided as follows: passenger 5442, commercial 927 . . .

The large number of commercial cars . . . shows how great has been the withdrawal of horses from teaming and farm work. As to what extent the change has been found profitable there is a division of opinion, but it may be fairly assumed that a lessening of labor has resulted.

PEEL WINS AT CHICAGO

Peel County made a grand sweep at Chicago last week in the alfalfa class, when in a class with over 35 entries six prizes came to a section of Ontario - namely, Peel County. Peel has for some time been noted for its alfalfa but now it is almost certain that buyers from all parts will be making their way to the district surrounding Brampton.

The winners in this class are: 2nd, Douglas Dunton; 3rd, Alex. McKinney; 4th, J.G. Dennis; 5th, Robt. Reid; 6th, W.E.W. Steen.

First prize was awarded to a Michigan man. It is also to be noted that the Lansdell Bros., won fifth place in Timothy.

When Peel County can win prizes over the U.S.A. at the International Grain Show it must be a sign that prosperity in alfalfa is being revived.

Are Our School Boys Idle?

The general concensus of opinion of self-made business men and leaders generally, who have not had the advantages of the education that they are giving their sons and daughters, is that High School and University unfit the scholars for hard work. The ability to stick to a long monotonous grind of daily tasks, to confront obstacles resolutely, to be able to see and grasp opportunities, is not a trait of modern youth ...

The business man, who left school at 14 to fend for himself, does not realize how monotonous the grind of daily school life can be. He knows nothing of the obstacles of irregular verbs. He cannot justly appreciate the plugging and anxiety of final examination time. School for the high school boy is no playtime job, and the University student knows full well the penalty he must pay for indulging in too many dances and social functions. The gaining of knowledge and mental vigor can be work just as much as physical effort ...

DERRY WEST INSTITUTE HELD REGULAR MEETING

The Derry West Women's Institute met on Wednesday afternoon at the home of Mrs. Aubrey Might, Centre Road. Despite the drifting of snow there was a splendid turnout. Mrs. Tom Graham occuppied the chair and Miss Clara Johnson gave a two minuet talk on the motto, "Don't walk this year in last year's rut." The roll call was well responded to with a verse of scripture containing the word love. A sum, not to exceed $5, is to be placed at the disposal of Mrs. McClure for emergency relief work. A half ton of coal which Mrs. McClure had ordered for relief work was also paid for. Mrs. Lina Schragg offered a $2 prize for the best notebook kept on the activities of each meeting. It was shown that the value of the papers and demonstrations given would be greatly increased when each member made a memorandum of them. Mrs. Schragg also gave a demonstration on "Dishes that are different", passing on much cooking lore and several fine recipes. Mrs. Norman McMurchy played an instrumental number, and Mrs. Jim McCracken gave a practical talk on "Banking essentials".Refreshments were served by a committee composed of Mrs. J. McCracken, Miss Beatrice Fenwick and Miss A. Moore.

On Tuesday night the W.I. members and their families held a euchre at the home of Mrs. Charles Beamish. The folding chairs which the Institute purchased a short time ago were used for the first time. Fourteen tables were played, the winner being Mr. Aubrey Might for the ladies and Mr. Joe Moore for the gentlemen. Sandwiches, cake and tea were served and the collection amounted to $5.60, which was used for supplies and Institute work.

HOLSTEIN BREEDERS IN HIGH POSITION

Balance of $89.84 Remains After Various Activities Last Year

THOMAS LYONS

Of Cheltenham Was Appointed 1931 President At Annual Meeting

With a balance of $89.84 after the various activities of 1930, the members of the Peel Holstein Breeders' Club are contemplating carrying on further extension work this coming year. Cash prizes for the best calves at each school fair, a large picnic to which the Halton and York breeders will be invited, and a county herd from Peel for the C. N. E. this Fall, will be a few of the activities to advertise the black and white breed. The president of the club, Thos. Lyons, Cheltenham, presided over the largest meeting, to date in the Agricultural office, Brampton, on Saturday, March 7th. Over 40 breeders turned out to hear Jack Fraser, Streetsville, give the Secretary-Treasurer's report with the favourable bank balance due to commissions by the county sales agent work in 1930.

M. C. McPhail, Asst. Director of Agriculture Representative, the special speaker brought out the fact that dairy farming is the safest and and most profitable branch of agriculture at the present time. He stated that the Peel dairymen have an advantage over some other counties because of the alfalfa acreage. From a dairy feeding standpoint one load of alfalfa hay is equal in feeding value to a load of timothy hay plus 500 lbs. of oilcake. By means of charts he clearly showed that a good livestock man raising high yielding feed crops had a labor income which recompensed him for his capital and labor expended. In comparison ewas the farmer keeping a large herd of cows of low milk and butterfat production which necessitated the purchasing of grain and resulted in a small labor income. Milk testing is the main way to find out the unprofitable producers in the herd. The following officers were elected for 1931: President, Thos. Lyons, Cheltenham; Vice-Presidents, Jas. McKane, Georgetown R.R. 4 and C.R. Wardlaw, Brampton R. R. 6; Sec-Treas, J.H. Fraser, Streetsville R.R.3 Ching; Directors, Norman Cameron and Geo. Love, Toronto directors; Edgar Lyons and N. Slacer, Toronto Gore; Fred Garbutt and F.W. Kellam, Caledon; Bob Cooper and Wm. Mountain, Albion; C. Boyce, Palgrave.

At a well-attended enthusiastic meeting of boys between the ages of 12 and 20 years, and their fathers, in the Agricultural Office, Brampton, on Saturday night , it was decided to organize three calf clubs in 1931. Clubs for Holstein, Jersey and Shorthorn heifer calves are being formed during the next two weeks. These calves are all Juniors or in other words are born after the after the first of January, 1931, and are the property of the members. The boys personally look after their animals and submit monthly feed records to the Agricultural Office. The parents see in these clubs a means of interesting their sons in good livestock and acquainting them with sound feeding practices. Speakers at the meeting were: Chas. Lowe, Jas. Sharpe, Norman Cameron, Chas. Wardlaw, J.G. Dennis, Oscar Graham, Andrew Carter, Douglas Dunton and J.C. Shearer, Agricultural Representative for Peel County.

Will Choose Officers

Officers of each club will be chosen from the members at meetings held before the 1st of May. It was decided to have both grade and purebred heifers in the clubs and also that the annual exhibition of animals to be held at the Brampton Fall Fair. Prizes will also be given for showmanship classes. Interested boys who were not at the meeting are advised to get in touch with the Agricultural Representative at an early date if they desire joining up with the clubs.

More Than Seventy Friends Gathered at Home of C. Irvine

About seventy members and friends of Britannia United Church, met at the home of Mr. and Mrs. Chris Irvine, Centre Road, on Friday evening to do honour to their daughter Edythe, who was a bride of this month, and has been organist for the past 6 years. Rev. Sinclair acting as chairman, the following programme was given: duets, by Mrs. S. Thompson and Mrs. W. Ellis, Miss Switzer and Mr. J. Gilt, both vocal and instrumental, short speeches by Rev. T. Jones, Mr. P.G. Dunton, Mr. Will Elliott also Mr. Wilfred Dunton, who had just returned home that morning from France, gave a short address on conditions abroad, which was very much enjoyed by all.

Mr. Jones then asked Mr. and Mrs. Hill to come forward, when the following address was read by Mr. Chas. Johnston and a beautiful walnut dinner waggon presented by Mr. Fred Drain. Mr. Hill responded on behalf of his wife and thanked them for their kind remembrance. Mrs. Hill also thanked them for their beautiful gift and invited all to come and see them at their home. After which the ladies of the Church served a very dainty lunch, all joined in singing "For they are jolly good fellows" and God Save the King, which brought to an end a very pleasant and sociable evening.

The following address was read:

Brampton, Ont.,
April 14th, 1931

Dear Edythe: -

Although we have known for sometime that the inevitable must come to pass, still, it is with feelings of dismay, that we face the fact, that the pleasant relationships which have heretofore existed between you and us, must, to a great extent be discontinued owing to your removal from among us. During the past few years we have formed the habit of depending on you as one of our chief helpers in the gatherings of various kinds which have been held in our church and community from time to time.

You have always been ready to do your part with a cheerful smile and willing hand. We recognize the fact yhat it has been at no small sacrifice on your part, that you have faithfully and well, performed your duties as church organist Sunday after Sunday. On many occasions you have favoured us so generously with your solos and we are sure that, as a singer you will be missed both here and in the surrounding districts. However, you are not going far away and we hope that you will come back sometimes to Britannia Church, where a warm welcome will always await you.

We shall miss you in our church services, in our Bible study groups, at our tea meetings, garden parties, Sunday School entertainments and Ladies' Aid Meetings. We are reconciled only by the knowledge that our loss will be others gain. We are sure that in your new sphere, as a Homemaker, you will meet with the same success which has crowned your efforts on our behalf. As you go to your new home, we would ask you to take with you this gift as a slight token of our esteem for you and of our appreciation of your services to our church and community. You will take with you, also, the very best wishes of your Britannia friends.

Signed on behalf of the congregation and friends,

P. G. DUNTON,
C. W. JOHNSTON,
FRED ORAM.

The extreme hot weather during the past week or ten days has hurried the raspberries along. On Wednesday Mr. Lornie Brunskill, aged 17, Centre Road, picked the first lot of raspberries in his district which were ready for sale.

It is only a matter of a few days until there will be fairly abundant supply of raspberries which on Thursday were selling at 20c per pint.

Ungraded Schools and the Development of Mental Independence

The scheme of consolidated schools has not made much headway in Ontario during the past few years. Rural School Boards are afraid of the cost, not only of the schools, but of transportation, and rise in teachers' salaries.

There are many who would deplore the passing of the rural ungraded school. It has its advantages as well as disadvantages. Many brilliant scholars have come from the little red school house and their success may be attributed, very often, to the development of self-help that such a school engenders. There has been a great deal of criticism against the spoon-feeding of the graded school. In the country, from the primary on, the pupil must study to a greater extent for himself. While other classes are called to the front, the work that the teacher has set before the pupil must be done without coaching or explanation. It gives the pupil time to figure out things for himself, and gradually he comes to realize that to a certain degree he is independent and can rely on his texts. The teacher's time is precious and the dictionary, finding places for himself on the map, the ability to prove his work, help him towards mental independence. Asking questions is one way of learning, but finding the solutions for himself is far more likely to impress the pupil. Rural school pupils usually excel graded school pupils in grammar, the thinking subject. It can be attributed solely to this training in self-help gained in the ungraded school.

One of the most interesting exhibits at the Brampton Fall Fair were the exhibits by members of the Peel County Holstein Club, Peel County Jersey Calf Club, Peel County Shorthorn Calf, and Peel County Colt Club. And when these boys paraded with their animals in front of the grand stand they were given a hearty ovation for they had worked hard to groom these animals for the fair. Organized this year under the efficient direction of J. C. Shearer, agricultural representative, their show was a pronounced success and great credit must be given Mr. Shearer for his painstaking efforts to assist the boys to put it over.

The show attracted many important personages, who were loud in their praise of the stock by the boys. Among those present were R. W. Wade, director Ont. Live Stock Branch, J. E. Whitelock, a former agricultural representative for Peel, R. S. Hamer, Chief of Cattle Division of Dominion Live Stock Branch, Woodstock, Harry Seymour, Provincial Holstein Fieldman. Another citizen derserving of credit is Chas.Lowe, Brampton, who provided the canvas to house the animals. During the exhibit the Ontario Motion Pictures Branch took shots which will be shown later.

The Hon. T .L. Kennedy silver trophey, a magnificent cup standing 26 inches high, was won by Martin Graham, Britannia. It was for the best calf or colt exhibited by a member of one of the clubs and showmanship counted fifty percent. Sixty boys competed for this cup and it was a difficult task for the judges to place the award especially between the winner with his Jersey, Jim Pinkney, Cooksville, with his shorthorn, and Wilson Fraser, Huttonville, who exhibited a fine specimen of a Holstein cow...

"Why", asked the schoolmaster, "are the days longer in the summer than in the winter?"

Timothy, to whom the question was put, had a ready answer.

"Because the sun shines longer", he replied.

"Yes, yes", the master returned, "but why does the sun shine longer?"

Without the slightest hesitation the boy replied:

"Because the night is so much shorter."

Central Butte Authorities Thank Citizens For Handsome Gift

Word was received on Tuesday to the effect that the carload of vegetables, fruit, etc., which was forwarded to Central Butte, Sask., on November 25th, by the members of the different churches in the Port Credit District, which comprises Dixie, Burnhamthorpe, Cooksville, Britannia, Erindale, Eden, Streetsville, Clarkson, Lorne Park, First United, Port Credit, Trinity Anglican, Port Credit, St. Mary's Roman Catholic, Port Credit and Lakeview United, reached its destination on Thursday, December 4th.

The car which contained in the neighborhood of twenty-five tons, was certainly a great cheer to the people in the Western Province, made a quick journey.

The members of the respective churches are greatly indebted to the Canadian National Railway, which took this car all of the way free of charge.

On Thursday Mr. F.B. Pense, who was chairman of the committee which had charge of collecting and packing the barrels received the following letter.

Central Butte, Sask.,
Dec. 4, 1931

Mr. F.B. Pense,
Port Credit, Ont.
Dear Mr. Pense:

This is just to inform you that we have just today finished distributing a car of fruit and vegetables sent from Port Credit. It was a magnificent gift and greatly helped to cheer the hearts of our people around here. Will you please express my warmest thanks to your committee for this fine gesture of friendship. I wish you could have seen us at work, or seen the wagons leaving our church with their loads. I will endeavor to comply with your suggestion and send a full report for publication next week. But I wanted to say how much we appreciated your gifts. Our train service is curtailed and I cannot get another letter away until next Thursday.

Again thanking you,
I remain,
Sincerely yours,
Signed Alex R. Robinson

BRITANNIA CLUB IS REORGANIZED

Young Musicians Again Holding Monthly Meetings Under Prominent Leader

The regular monthly meeting of the Britannia Young Musicians Club, which had been discontinued for some months, have been resumed under the leadership of Mrs. C. Dennis. The February meeting was held at the home of Mr. H. Stephens, of Derry West, last Friday evening. About twenty were present, including pupils, parents and their friends. Plans were discussed for making the club stronger than ever this year.

Club colours of gold and violet were chosen.

Preparations were begun for a play to be given at a recital in June.

Miss Florence Stephens was made secretary and Pearl Fewster press reporter for the club. After class in theory was held, a programme of instrumental music was provided by the following pupils: Misses Betty Dunn, Helen Price, Isabel Elliott, Florence Stephens and Pearl Fewster.

A dainty lunch was served by the hostess, and after a pleasant social hour, the meeting was closed by singing the National Anthem. We are very grateful to Mrs. Dennis for thus spending her time and talent for the musical education of our young folks and also to those who kindly lend their home for the club meetings.

"Now children", said the teacher who was trying to boost the sale of the class photographs, "just think how you'll enoy looking at the photograph when you grow up. As you loo k you'll say to yourself, "There's Jeanie, she's a nurse; There's Tom, he's a judge, - and "

"And there's teacher, she's dead", came a voice from the back of the room.

BRITANNIA MUSICIANS HAD LIVELY EVENING

The regular monthly meeting of the Britannia Young Musicians Club was held at the home of Mr. W. Fewster, on Thursday evening, March 24. Nine pupils were present, with their parents. The meeting was opened by singing this chorus to the tune of "Jingle Bells":

I recollet the time, not many years ago,
When I felt dull and blue.
And thought the world was slow,
And I got into a rut and I would fume and fret,
Until I joined the Y.M.C.
The greatest helper yet.
Chorus:
Y.M.C., Y.M.C. don't the night forget,
Plan your work a month ahead,
So you'll be there alright.
Y.M.C., Y.M.C. here we gladly meet,
All our friends and parents,too,
We'll fondly, gladly greet.

This was followed by singing the hymn, "Tell Me The Old, Old Story".

The business of the meeting included the appointing of Miss Betty Dunn as pianist. Further arrangements were made for the preparation of a play for the recital in July. The class colours of mauve, gold and black had been purchased since the last meeting. While Mrs. Dennis taught the class in theory of music, the ladies were busy preparing the colours to be worn by the pupils at club meetings. A short programme of instrumental music was given by Misses Betty Dunn. Charlotte Miles, Isabel Elliott, Clara Scott, Florence Stephens and Pearl Fewster.

A dainty lunch was served by the hostess, after which the meeting closed by singing "God Save the King".

HOWLING OF WOLVES TERRIFIED SETTLERS

John Carberry on 93rd Birthday Reminisces About Indians and Oxen

Days when savage wolves, oxen and Indians were a part of life in this community are easily recalled by John Carberry, who yesterday celebrated his birthday on the farm on which he was born 93 years ago.

When Mr. Carberry's parents moved to the farm two-and-one-half miles north of here [Cooksville], the land was all bush.

"My father tied the oxen to a tree", he related. "That night the wolves came and surrounded the animals, making it necessary for my father to build a roaring fire to scare them away. Another time my mother brought two small wolf cubs into the house in her apron, and in a short time the house was surrounded by a howling mob of savage beasts. We were terrified for fear they'd jump in the chimney and all night long we piled wood on the open fireplace to keep them from getting in.

"When I was a small boy the Indians were quite frequent visitors at our home. They would come into the kitchen, sit down for awhile and talk, then get up and go out. We always lef the doors unlocked lest we offend them."

In a back field of Carberry's farm is a large rock where the Indians came to hold to hold their religious ceremonies. The rock, until recent times, had three distinct steps carved in its face, but two of the steps have been chiselled off. Bones dug from beneath the rock were declared by authorities to have been those of an Indian, and it is probable one of their chiefs was buried there.

One of the most cherished memories of Mr. Carberry is that as a young man he helped to draw the first load of bricks used in the construction of St. Joseph's church, Streetsville. He is the only living member who was present at the consecration of the church 74 years ago.

An ardent Liberal, Mr. Carberry has taken a keen interest in politics since he was sixteen years old and is well-informed on political questions.

Mr. Carberry's wife died six years ago and he lives with his son Peter, who has taken over the farm. Besides his son, he has three daughters living, Miss Annie, Toronto; Mrs. L. Caine, Cooksville, and Mrs. D. O'Connor, Streetsville.

Perhaps the most appreciated of felicitations came from a companion of his younger days, Owen Hickey, Centre Rd., who is now in his 94th year. By a coincidence he helped draw the first load of bricks for St. Patrick's Church, Dixie, when
a young man.

"We went south together in the fall of 1864 with the intention of making a fortune", recalled Mr. Hickey. "We travelled to Buffalo and joined the Northern Army in the American civil war. They sent us to Galveston, Texas, where we were parted by a break-up of the detachment. We didn't meet again until we returned to Cooks- ville three years later. For a time I acted as an escort to an officer who conducted martial law courts in Texas state". While on guard duty at the house occuppied by Jeff Davis, southern rebel leader, Mr. Hickey was given a thousand dollars worth of red confederatedollar bills. "But they weren't much use unless you could pass them off on a nigger", he commented.

A programme of vocal and instrumental music followed. A piano duet was given by Mrs. Dennis and Pearl Fewster. Miss Ethel Matthews sang "When Your Hair Has Turned to Silver", accompanied by Florence Stephens at the piano. In observance of the 75th birthday of P.G. Dunton, prominent Britannia citizen, and also the 50th anniversary of the farm being under the Dunton name, there was a large assembly of relatives at his home on Tuesday. An oak tree was planted during the afternoon and, beside it, was placed a stone from the farm upon which the name "Dunton", was carved. At the close of the afternoon all sat down to a birthday party. In the evening neighbors of the Britannia community gathered at the home and presented Mr. Dunton with a handsome cane. The presentation was made by W. Elliott and and an address was read by C.W. Johnson. The Rev. C.S. Jones acted as chairman. Mr. Dunton is a native of Canada, being born in Richmond Hill district. He is enjoying splendid health.

Victoria Day
Tues. May 24

May 24 is Victoria Day - a public holiday - and observed as such throughout the great British Empire. The annual observance of this day perpetuates the memory of Victoria I, Queen of Great Britain and Ireland and Empress of India, who was born on May 24, 1819. She was crowned in Westminster Abbey, June 28, 1838, and, in 1876, assumed the title of Empress of India. Her children were nine in number, the seventh of which, Albert Edward succeeded her on the throne as Edward VII. Her period was so marked by literary progress and political and industrial development that it is spoken of appreciatively as the "Victorian Era"

FINE GARDEN PARTY OF BRITANNIA CHURCH

At Home of Mr. and Mrs. Graham - Large Attendance- Good Programme

The annual garden party of Britannia United Church, was held on the beautiful grounds of Mr. and Mrs. T. H. Graham on Tuesday evening. There was a large attendance and the entire evening was a huge success. The programme was varied and delighted the audience with its various numbers. The usual Scotch songs and jokes, always an anticipated event at garden parties, were ably interpreted by Tom Hamilton, comedian; and Jean Simpson, Character contralto, rendered several very delightful ballads. Messrs. Alex Watt and Harry Algie, of Brampton, were soloists for the evening and much laughter was called forth by Dorothy Price, with her humerous elocutionary sketches. The Bethesda orchestra were in attendance and rendered some very fine selections. Mr. Forster, formerly of Britannia, occuppied the chair, and the Rev. Mr. Jones made a few brief remarks at the beginning of the evening. Large proceeds are expected from the booths, which were well patronized. Thanks were tendered Mr. and Mrs. Graham for the use of their grounds and for their untiring efforts in making the affair so successful.

Examinations

Anyone who has gone through the trials of mid summer high school exams will agree with us that youth is anything but care free in June. In fact, they are the most worried, most harassed, most pessimistic crowd one could wish to meet today. If you have one of these creatures in your home you will bear us out in what we say. One tip toes about the house for fear of breaking the thread in a sight translation. Food is offered tentatively for fear of upsetting digestion ...

The youngsters have our deepest sympathy and we generously refrain from saying, "You should have realized the necessity for attending to business last January instead of now". We have a sneaking suspicion that under similar circumstances your parents were not so generous.

BRITANNIA

The sixth music recital of the pupils of Mrs. C. Dennis was held at the home of Mrs. G. Price, on Wednesday, July 20th. About sixty attended. A splendid programme of music, dancing, recitations and a dialogue entitled "Waiting for the Doctor", was greatly enjoyed by all. Others assisting on the programme were: Mr. Thomas, soloist, accompanied by Mrs. Heathcote, from Toronto; Mrs. Law, violinist; Miss Ruth Ross, elocutionist. Prizes for the year's work were awarded to the following: Best attendance, 1, Betty Dunn, missed 3 out of 44 lessons; 2, ties, Charlote Miles, Ellen Moore, missing 5 lessons; highest average marks for the year: Margaret Bryans, 44 %; Jack Bryans 43 %; Most starter lessons over 45%: 1, Margaret Bryans; 2, Helen Price. New pupils : Helen Price. Painting of covers for report cards: 1, Pearl Fewster; 2, Ellen Moore.

The programme closed by singing the National Anthem. Refreshments were served by the hostess.

Betty Dunn and Helen Price were successful at the recent examination at the Conservatory of Music. They presented Mrs. Dennis with a gift of china.

BACK TO SCHOOL

In two weeks time the children will all be back at school once again after ten weeks' vacation which we hope has been beneficial as well as enjoyable to all.

At this time of year, so often one hears, "Oh, I'm going to quit school and go to work." "I am sick of school." This is indeed a mistaken idea, and the parents and older members of the family should impress upon the children that their school days are probably the best days of their lives.

In these days when so much is demanded from the man and the woman in the commercial world, it is very essential they have a good education.

While everybody cannot have a University training and there would be no place in this world if everybody had a University degree, the fact remains, that a Public and High School education is very beneficial and the former is within reach of all.

Again we say, do not let us hear those remarks about giving up school, when in later years you may regret exceedingly that you did not make the best of your advantages when you were young, and had such splendid school facilities so near at hand.

BARN BURNT

Fire of unknown origin destroyed the 90-foot barn of William Elliott, on Lot 4, 2nd concession west, Toronto Township, Sunday night, with damage amounting to about $3,000. The barn is situated some distance away from Mr. Elliott's house, and the blaze was well underway before it was discovered. No firemen were called. The building was a mass of flames in short order. The building and smaller adjoining sheds, implements and a quantity of hay were partially covered by insurance.

MUSIC RECITAL

The pupils of Mrs. W.C. Dennis, Britannia, sponsored a music recital held for the third consecutive year at the home of Mrs. G. Price, Malton. The pupils, numbering 22 in all, very capably providd an entertaining program. Miss Jessie Jamieson rendered a beautiful vocal solo, while Miss Hazel Ross and Alva Roadhouse delighted the audience with humorous recitations. The prize winners for highest marks obtained throughout the year are as follows: 1st, Margaret Bryans, Malton, presented with a silk and wool pullover; 2nd, Dora Schnick, Streetsville, was given stationery; 3rd, Isabel Elliott, Britannia, a brooch. Then for pupils who hadn't taken a full year were judged for highest percentage: 1st, Orville Schnick, Streetsville, an Eversharp pencil; 2nd, Clara Scott, a wool beret; 3rd, Adel Viney, a brooch. A silver collection was taken up as part funds for a picnic held on the Exhibition grounds on Music Day.

In completing the program, Mrs. Dennis' exam. pupils presented her with a handsome hand-embroidered pair of pillow cases. Orville Schnick gave his teacher a beautiful china cup and saucer, while his sister, Dora, presented her with a lovely cream and sugar bowl.

About 150 parents and friends partook of a very dainty lunch served by the hostess.

PEEL CALF CLUB ACTIVE

Members Hold Meeting at Chinguacousy Holstein Breeder's Farm

Over 50 members of the Peel County Calf Club gathered at Alex. McKinney's, Chinguacousy Township Holstein breeder, on August 2nd, to judge cattle and to receive instruction in calf and heifer rearing.

Gordon Robinson, Bolton, presided and displayed a home-made blanket for calves. The cost of materials for it was approximately twenty-five cents. It was made out of sacking lined with flannelette and compared favourably with higher priced manufactured blankets.

James Pinckney, Cooksville, gave a demonstration on handling a calf or heifer in the showring. He emphasized the importance of previous training of the animal and also how to cater to judge's wishes in the showring.

Douglas Dunton, Britannia, and Jack Fraser, Huttonville, gave official placings and oral reasons on two classes of Holsteins; mature cows and junior heifer calves.

The meeting adjourned to the spacious parlour of the McKinney home for instruction on the care and management of calves and heifers and moving pictures on Sea Fishing and the Iron and Steel Industry.

The program was brought to a close by the serving of watermelon by Mrs. McKinnley. It was gratifying to have a number of the neighbouring farmers, as well as many of the parents of the club members, present. The boys are planning to have the next meeting in two weeks' time at an Ayrshire Farm in the vicinity of Snelgrove.

Couple 55 Years Wed, Among Founders Britannia Church

STREETSVILLE. - Completing fifty-five years of happy married life, and observing the occasion at a quiet supper at the home of their daughter here, Mr. and Mrs. H. W. Charlton aged 83 and 82, were as bright and cheery on Tuesday as though they were a generation younger. Congratulations were extended by many to the couple who are now living with their daughter, Mrs. H. W. Gerhart.

The past winter has held little terror for them. Mr. Charlton found but one cause for worry during the most severe winter of the past 50 years. A watermain on the village street at his door burst, and flooded his cellar. It wouldn't have happened on the farm, and for 43 years they were comfortable and happy on their farm at Meadowvale.

During the winter they missed few services of the United Church, of which they are devoted members. And when the coming election rolls around they will both cast votes for Hon. T.L. Kennedy. Mr. Charlton has been a Conservative all his life, and is proud of the fact.

Mr. Charlton was born at Downsview, York County, son of the late John Charlton. Coming to Peel County, he married Sophia Gardner, daughter of the late John Gardner, pioneer of Britannia, and one of the founders of the Britannia Methodist Church.

The wedding service was performed at the bride's home by the Rev. G. Gough, pastor of the Britannia circuit. Of the wedding party, the Charltons, Sigsworth Reeve of Meadowvale, and Mrs. A. Leighton, Vancouver, are the only survivors. Another member, Dr. W.J. Charlton Weston, died two years ago. Of their two families, Mr. and Mrs. Charlton were the only ones to celebrate their golden anniversary.

Following their marriage, they lived at London for twwo years, moved thence to Port Elgin, where they remained for seven years, coming thence to Meadowvale, where they farmed for 43 years. Quitting the farm at last they moved to Streetsville five years ago.

Mrs. Charlton is the last of her family, but Mr. Charlton has a brother, George A., in Winnipeg. They have two sons, Robert, of Meadowvale, and John, in British Columbia, and four daughters, Miss Clara, Plainfield, N.J.; Mrs. Randolph Steen, Ayr; Mrs. H.W. Gerhart, Streetsville; and Mrs. Cora Norman, Richmond, Va. There are fourteen grandchildren.

Back to School Again

In the course of three weeks' time the children of the homes will be back to school again, after two months' vacation.

At this season one so often hears the children say, "Dad, I am sick of school, so I want to quit and go to work."

We would urge upon the boys and girls who feel this way the foolishness of quitting school when they are yet so young. In days to come the youth of today who leave school too soon will realize they have made a very serious mistake.

BRITANNIA CHURCH HAS ITS 91ST ANNIVERSARY

Burying of Woman Within Walls Unique Incident in History

BRITANNIA. - The congregation of Britannia United Church celebrated the ninety-first anniversary of the building of the edifice and the organization of the appointment on Sunday. Originally built on the same site, much of the first church, a four-square brick structure, with a "cottage" roof still remains. The church was renovated and remodelled in 1864.

The nucleus of a once thriving village, the congregation has not deteriorated in the nearly one hundred years of existence, although the buildings of a sawmill, blacksmithy and carriage shop that were part of Britannia have long since mouldered away.

Probably the most unique event in the history of the church was the burying of a woman with its walls. A Mrs. Hutchinson died of some unknown disease to doctors of her day, and, fearing that medical students might steal the body to perform an autopsy, elders dug a grave beneath the floor and laid the dead woman within it. A guard was mounted for days until a vault was constructed in the churchyard and the body removed to it. Although some of the present parishioners are dubious about the truth of this story, others corroborate its details and say that they have seen the grave beneath the floor.

TEACH THE YOUNG TO BE THRIFTY

. . . Thousands of homes have adopted the Penny Bank as a medium through which to attain their more immediate goals. For many months during 1931 and 1932, withdrawals exceeded deposits for the whole province. Stern necessity required the use of children's savings to meet such expenses as food, clothing, fuel, rent, medicine, glasses, etc. We are pleased to report a decided improvement since June 30th, 1933. Deposits are again in excess of withdrawals, at about the normal rate obtaining in the years immediately preceding 1929. This indicates a definite upturn in the economic situation of the province, as well as an unshaken faith in the value of school savings as a means of "Making the Most of Your Income". . .

PEEL COUNTY GIRL SENT BEST LETTER

Pearl Fewster, 13, Cooksville, Among Three Continent Winners

CREDIT DESERVING

Was Only Twelve Years of Age When Submitting Lucky Letter

For her entry in the recent letter-writing contest conducted by The Globe, Toronto, Miss Pearl Fewster, of Cooksville, received $15, the third of three major prizes. Letters, it is announced came from all parts of Canada, every state in America, thus making Pearl's achievement a ll the more deserving of credit and praise. First prize went to Robert Middleton of Chester, Pennsylvania; and the second to Reginald Johnson, of New York. Ad. Carter, author of the "Just Kids" comic strip, and sponsor of the contest, said hundreds of thousands of letters were written on the subject: "What I'd Do With $100."

Pearl, who lives with her father and mother, Mr. and Mrs. William Fewster, on their sunny farm on the Centre Road three miles north of Cooksville, is already in the second form of the Continuation school at Cooksville. At the time she wrote the prize-winning letter, she was twelve years of age. She has since turned thirteen, and, last Thursday night, when a reporter from the Toronto paper called, was dressed ready to go to a banquet of the Young Worshippers League in Cooksville United Church. She has been a member of the league for some years.

Her younger sister, Etta, and her brother, Joe, both gave her suggestions for her letter, but she stuck to her own ideas, which must have been the best. Asked what she had written as to her ideas of putting the $100 to best use, she recalled writing she would buy a bicycle for herself and her sister. The "bike" would help her get to school promptly every day. She would also send contributions to Dr. Grenfell in Labrador and to a fund for children "who can't get out on bright, breezy farms in summer" as she can. She also would see to it that less fortunate children than she would not be forgotten at Christmas time.

YOUNG WORSHIPPERS HOLD ANNUAL BANQUET

This Organization Was Formed Five Years Ago by Rev. C.S. Jones and Today is Thriving

The annual banquet of the Young Worshippers' League was held in Cooksville United Church, Thursday evening, Oct. 25th. About a hundred people were present from Cooksville, Meadowvale and Britannia. It was also the occasion of Rev. C.S. Jones' birthday. A lovely birthday cake decorated with candles was cut and everyone present received a piece. Mr. Radford, Superintendent of Cooksville Sunday School, and Martin Graham of Britannia gave a vote of thanks to the ladies of the three congregations who made the banquet possible.

There were seventeen members from Cooksville who had perfect church attendance last year, and six members from Meadowvale.

The Young Worshippers' League was organized five years ago in Cooksville, Meadowvale and Britannia by the Rev. C.S. Jones. It was out of the Young Worshippers' League that the Junior Choir of Cooksville United Church started. This Junior Choir, under the leadership of Mr. E. M. Dillon, has become one of the church's leading organizations. Although the Young Worshippers' League is only five years old, several records have been made. Pansy Barey, Meadowvale, and Ross Romney and Eric Jones, Cooksville, have five years perfect attendance. Eric Jones brought a record of four years from Cochrane and this makes nine years perfect attendance for him. Miss Maggie Mae Anderson, Britannia, and Miss Beual Tommey, Cooksville, have been secretary-treasurer of their respective leagues for the last four years. Miss Anderson and Miss Tommey have three years perfect attendance.

The Young Worshippers' League begins its sixth year on the first Sunday in November. Everyone is enthusiastic, and judging from the interest shown, a successful season should result.

I. R. Treanor

Streetsville community was shocked last Friday morning to hear of the passing of I. R. Treanor. For many months the deceased had not been enjoying the best of health. A heavy cold which he contracted last week quickly developed into pneumonia, the dreaded disease which he had not the strength to withstand. Mr. Treanor belonged to one of the oldest families of the district, being the eldest son of the late edy Treanor. He farmed in this district all his life. As a lover of horses he competed successfully at many of the local fairs in his younger days. Mr. Treanor is survived by his widow, formerly Miss Lettie Ratlan, and five sons, Lorne, of Windsor; Clarence of Britannia; Orlo, of Toronto; Cecil and Harold at home. Surviving also are four brothers and five sisters, Martin and Stephen, of Streetsville; Jess, of Milton; Rev. Dr. George Treanor, of Ridgetown who was unable to be present owing to illness; Mrs. J. Ritchie, of Port Credit; Mrs. Death, of Elmbank; Mrs. Madill, of Britannia; Mrs. Wm. Taggart, of Toronto; Mrs. Harvey Cook, of Cooksville. The funeral was held from his late home, second line west on Monday. The service was conducted by Rev. Jno. Fraser, of St. Andrews Presbyterian Church, Streetsville. Interment took place in Britannia cemetery. The lovely floral tributes showed the high esteem in which the deceased was held, for he was a devoted husband, a kind father, and a good neighbour. The pallbearers were Messrs. Martin, Jess, and Stepehn Treanor, Harvey Cook, W. Madill and Haddon Pegg.

Young More Progressive Now Cooksville Pioneer Believes

COOKSVILLE. - Another of our honoured octogenarians in the person of Joseph Jamieson celebrated his eighty-third birthday, June 9th. Mr. Jamieson is in very good health and until a few days ago was able to take his daily walk and do occasional tasks around his home.

Coming from Ireland to the United States at the age of twenty, Mr. Jamieson and his twin brother, Hugh, worked in Philadelphia. While there, Mr. Jamieson met and later married Jane McCauley, who had also come from Ireland a short time before. All the other members of both families remained in Ireland and as far as Mr. Jamieson knows, never came to this country. Shortly after being married, Mr. and Mrs. Jamieson came to Canada and settled on the McCauley farm on the Centre Road, south of Britannia. At different times they lived on several other farms in the same district where many enjoyable times are recalled, spent with neighbours and friends. Mrs. Jamieson passed away many years ago. Since then Mr. Jamieson has made his home with his son, Russell, on the Burnhamthorpe Road. Near him live his son, John, treasurer of Peel County and his daughter Mrs. H. Cook.

Mrs. G. Bedford, his eldest daughter resides near Port Credit and Reg., his youngest child, in Toronto where he is manager of the Carload Groceteria Chain Stores. Mrs. J.B. Ross, his other daughter, passed away about one and a half years ago.

Mr. Jamieson, as he puffs comfortably at his pipe, recalls the days when he worked with his father and brothers, taking peat from the bogs in Ireland. He thinks young people are very progressive now and accomplish as much work with less labour as compared to his younger days. The radio is one invention which he never ceases praising and hopes to spend many more happy days "listening in."

BRITANNIA RESIDENT INJURED ON SATURDAY

J.B. Simmons, 70-year-old resident of Britannia, was injured on Saturday night, when he was walking along the Centre Road.

Frank Mackenzie, Toronto, driving south on the Centre Road, pulled to the edge of the pavement to avoid an approaching motor with glaring lights. Mr. Simmons was walking in the same direction with a pail under his arm. The pail was struck by the motor car and was forced out of Mr. Simmons' hand. With the force of the impact the pail flew up and hit Mr. Simmons on the forehead just over the right eye.

Mr. Simmons was attended by Dr. J .F. Cantelon, of Cooksville and Dr. Colin Heggie, Brampton, and was later to Peel Memorial Hospital, Brampton, but as his injuries were slight, he was permitted to return home on Sunday.

Traffic Officer Ray Hodgson investigated, but simmons declared that no one was to blame, and no charge was laid.

Shirley Temple cut-out books and crayoning books are just the gifts for a small child. These books can be purchased at the Port Credit News Stationery Store at the small cost of 15c each.
